- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Sun 4 Y 4 M 13 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

At the time of your birth Virgo Ascendant (Lagna) was rising with Leo Navamsa and Taurus Dreshkana in the first Pad of Chitra, holding out promise of a delightful life of plenty and pleasure, especially between the ages of 33 and 38 when your luck will be at its zenith.

You will doubly enjoy life as you have a high sense of humour, coupled with the capacity for biting sarcasm. You are a practical person, going about his job with courage and enterprise, having a clear vision of the goal you want to reach. Working with a lot of energy and a spirit of adventure, you will undoubtedly achieve your ambition, but the point is in spite of high income your savings will not be much. Why? Because you are fond of everything that is good in life. You want to dress well, you want to satisfy your refined tastes and generally have a good time.

Having a religious bent of mind, you will evince much interest in astrology and the occult sciences. You will visit holy places and render social and charitable services. You will treat with kindness and consideration those who seek your help.

So far as you are concerned, any profession is as good as any other. But you can shine even more brightly if you opt to become a lawyer or a scientist or an engineer or a surgeon. In business you can fare well if you take up civil contracts or deal in sports goods, radio, television, jewellery or automobile spare parts.

With your stout physical structure and attractive eyes, you will make a tremendous impression on one and all. Drawn towards you, many of them will become your close associates, thus further enhancing your prospects in life.

Deriving a lot of comfort from your spouse and children, you will have a peaceful, happy home. Despite your tight schedule of work, you will find enough time to spare for your family, for whose sake you will do everything to keep them satisfied.

Your health will no doubt be very good, but there is a hint that in later years you may suffer from kidney and bladder troubles and experience urine difficulty. This threat can be met if you take preventive steps well in time.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive. The numbers that are extremely favourable to you are 2, 3, 5, 6 and 7. Make sure to keep clear of 1 and 8.

For a colourful individual like you, the fortunate colours are white, yellow, green and emerald. Don't at any time prefer red, black or blue.
