Personality Analysis

You are lucky to belong to the favoured lot of Vargottam as, at the time of your birth, Cancer Ascendant (Lagna) was rising, along with Cancer Navamsa and Cancer Dreskana, in the fourth Pad of Punarvasu, bestowing on you a life of comfort, plenty and position in society.

On your part, one main thing you have to bear in mind to ensure your progress and prosperity is to give up your inborn trait of vascillation on matters on which timely decisions are called for. If you don't act promptly, you will find that many a chance would have slipped out of your hands even as you would still be pondering over your strategy. If you can overcome this, you will reap a rich harvest.

Two other areas which require your attention are regarding your belly and the number of children you are likely to be get. You will have a body whose upper part will be more pronounced than the lower half, and as years go by, due to excessive eating, you may develop a sizeable paunch. If you keep a check on your food consumption and have regular exercises, you may avoid a bulging belly.

The other sector on which you will have to proceed with caution is about the size of your family. You are so devoted and attached to your spouse that you may flout the family planning norm by producing a large number of children. This being neither good for your family nor for the country of your birth, you better take precautions to make sure you have a compact family which will be to your own and to your children's benefit.

Though you will maintain generally good health, you may be prone to some diseases like nervousness, fear complex, hysteria, and lung and throat troubles.

The professions that suits you best are those connected with export-import, travel, transport, shipping, irrigation, factory, machinery, restaurant, sports goods, defence or police. You can also afford to dabble in politics which will prove beneficial.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive. But one day in the week you will have to be cautious and that is Sunday.

The numbers that vibrate in your favour are 4 and 6. Avoid 3 and 5 which disagree with you.

Already fond of eating, you can hog ice cream too, as your favourite colours are white and cream, yellow and red. Keep off green and blue.
