Personality Analysis

At the time of your birth, Cancer Ascendant (Lagna) was rising with Leo Navamsa and Cancer Dreskana in the first Pad of Pushya, denoting you will lead a good life, enjoying reasonably good health, a harmonious family atmosphere, being literate and commanding respect in society. You will have smooth sailing. Even better luck will come your way from the age of 36.

Having the ability to control your desires, you are usually well liked, as you are truthful and render help to others. You will read and learn about religion and philosophy, and will be devoted to God. You will undertake visits to holy places and render charitable services. This you will do in spite of your ambition of amassing wealth so as to provide all comforts to the members of your family.

You will be tall, with a broad forehead and prominent eyes. You have the tendency to put on weight and as age advances you may start developing a double chin.

You have the ability to adjust according to the situation and properly understand the mind of the people. But you are very impatient, as a result of which you will lose your temper quickly which, however, won't last long, as you cool down equally fast.

In making money, you adopt the method of earning small sums from different sources, instead of setting your sight on a big amount from one source. This ensures a regular inflow to your kitty.

As regards your romantic life, it will be rather monotonous in the sense you will be emotionally totally attached to your spouse. You prefer marrying a homely type and go on raising children. But you had better keep clear of routine domestic matters and criticising your life's partner. The ideal match for a Cancerian is from one born under the Pisces or Scorpio signs.

The professions that suit you are a naval career or dealing in ships, import-export, canals or agriculture.

In your youth, your health may not be up to the mark, but it will improve as age advances. Getting nervous and worrying all the time should be avoided by having adequate relaxation and keeping the eating habits under control. Avoid alcohol. You will have to be on guard against rheumatism, gastric ulcers and defects in the respiratory system.

The colours that suit you are yellow, red, cream and white. Bear in mind that green and blue don't agree with you.

Numbers 4 and 6 vibrate in your favour, but 3 and 5 are not to your advantage.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.
