Personality Analysis

The configuration at the time of your birth was Cancer Ascendant (Lagna) rising with Pisces Navamsa and Pisces Dreskana in the fourth Pad of Aslesha. This indicates that you are an individual having two extreme traits: one being devout, God-fearing and interested in visiting holy places and rendering charity; the other, very much interested in mundane matters, like making money by whatever means and enjoying life to the brim, having an extra fondness for alcohol. How you will square these two divergent traits only you know.

You are indeed capable of evolving a compromise formula, endowed as you are with intelligence, learning and literary abilities. There is nothing wrong in aspiring for wealth, but what is to be borne in mind is that one should go about it in a decent, honest manner and not by playing tricks with others and resorting to underhand methods.

You will have to be extra cautious about this aspect, as you are a pretty selfish person interested in enjoying the best of everything in life. You will have to keep your personal ambitions within limits, at least on your home front. You will have a dedicated spouse and good children who will be obedient and willing to do everything to keep you happy. So to make sure that you don't have strained relations with your family members, you will have to adopt a sober approach at home.

Actually, as a Cancerian, you are born to teach and lead. You will have to set an example to others by following a straightforward path. You have the ability to do that, only you will have to keep your desires and emotions under check, to become popular with people.

You will have average height with a round face and full cheeks. You may put on weight as years go by and become stout with a rather awkward rolling gait. If you overeat, you may develop an uncouth body. Health will be rather fragile during youth, but it will pick up as you grow up. Since Cancer rules the chest and the stomach, you will have to take care of your digestive system which in later years may give you trouble. Plus you will have to learn to relax, because you are a pretty nervous person.

The diseases that may affect you are hysteria, dropsy and jaundice. Take precautions by visiting your doctor regularly.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is

average. The other three days are not too favourable as they will prove expensive.

The numbers you can opt for are 4 and 6. Those you had better avoid are 3 and 5.

The colours that will suit you are white, cream, yellow and red. Don't use green and blue.
