- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is **Mar 2 Y 5 M 24 D.**
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

## Personality Analysis

The astrological configuration at the time of your birth was Scorpio Ascendant (Lagna) rising in the east with Pisces Navamsa and Cancer Dreshkana in the fourth Pad of Jyestha, projecting you as a religious person given to visiting holy places but in actual fact it is only a facade, as in your heart of hearts you are very much a worldly person, aspiring to enjoy all earthly pleasures.

Your outward appearance of a pious person yields rich dividends as your work will proceed smoothly, since others take you by your word. But in the event of difficulties cropping up, you will display courage and tenacity to overcome them and accomplish your goal of amassing wealth.

Always cheerful, you have a high sense of humour ( you can enjoy a joke on yourself!) sometimes even laughing away your business troubles. However, you are conscious of the hurdles you will have to clear.

No doubt you have a fascination for the opposite sex, but in this you are very choosy. The main thing you look for in your lover is not so much looks but intelligence. You enjoy the company of a person who can match you in IQ. So, while searching for a spouse you need to be extra-cautious, because if you happen to pick one who is attractive but dumb, you will feel miserable. Try and get a match from one born under the Scorpio, Cancer, Pisces, Taurus, Virgo or Capricorn signs.

There is one major area of constant concern for you in life. You aren't that fortunate on your health front as in other walks of life. You are prone to be hit by diseases in your 13th, 27th, 31st and 49th years. So strict vigil is needed on that score. It would serve you well to have medical examinations periodically so that you can take preventive steps against any illness. The diseases that are likely to affect you are damage to the secret parts, piles and irregular bowels movement.

As, in spite of your calm appearance your temper will be on edge most of the time, you will have to develop the habit of relaxing, to ward off any possible ill-effect on your nervous system.

Your lucky days are Sunday, Monday, Tuesday and Thursday whereas Wednesday, Friday and Saturday are inauspicious.

You can depend upon numbers 1, 2, 3, 4 and 9; avoid 5, 6 and 8.

Blue, white and green are not for you. The colours that will prove beneficial

to you are yellow, red, orange and cream.
