Personality Analysis

A life of prosperity and happiness are assured to you, as per the clear indications of the configuration of Aquarius Ascendant (Lagna) on the rise with Pisces Navamsa and Gemini Dreskana in the fourth Pad of Satbhisha at the time of your birth. With this favourable trend available to you, you can go ahead with your plans to achieve tremendous successes in life.

The most significant year of your life will be when you attain the age of 28. It should, in fact, be a landmark, because it is then that you will not only make a pile of money, you can also aspire to occupy a position of rank and power. If that materialise, then your progress will be meteoric, because anyone in an influential post at the young age of 28 can certainly aspire to reach for the moon.

An intelligent individual, you can chalk out a thoughtful and methodic approach to issues, without adopting a rash attitude, and achieve very good results.

You have also the ability to think up of new ideas and experiment with them. Invariably your original approach will yield rich dividends.

Being a kind and generous person, you will extend a helping hand to the needy. But people can't fool you, as you have the unseen power of reading others' thoughts. You know to whom you have to provide succour and whom you have to ignore.

You don't make friends easily, but once you accept someone as your pal, you will treat him like an ally and stand by him at all times. In turn, friends extend their full support to you.

You will have a pleasant and enjoyable homely life. With an attractive and desirable spouse and promising children, you can lead a life of contentment.

A religious person, you will undertake many pilgrimages.

a keen interest in learning about the mysteries of the universe and the cycle of birth.
