## Personality Analysis

At the time of your birth the astrological configuration was Sagittarius Ascendant ( Lagna ) on the rise with Gemini Navamsa and Sagittarius Dreskana in the third Pad of Moola which projects you as a person effusing health, wealth and happiness. Undoubtedly, you are born lucky.

You have everything going in your favour. You are endowed with an attractive personality, you are an interesting conversationalist having a high sense of humour, you are not afraid of telling the truth in public even if it rubs others on the wrong side and you will have a happy home.

What more can an individual ask for ? Well, you can ask for unimpaired health, as there are indications that you may be stricken in later years with diseases like gout, ulcers, rheumatism and apoplexy. If you don't take advance precautions against them, you will be sorry.

Better develop from now on an interest in religion and philosophy and cultivate a sense of detachment. Since you are god-fearing and learned, you can make a deeper study of the philosophy of life and contribute as much for charity as you can.

It is during your 27th or 31st years that you may hit the jackpot. Either or those two years will bring immense benefits to you. Concentrate at those times on organising seminars and group discussions, as you have good organisational ability, with the additional qualifications of being an impressive orator and a clever go-getter. If you come out with flying colours in this, then you can hope to prosper further in whatever your profession, because not only would your reputation have enhanced, your circle of contacts too would have widened.

Though you will have an understanding spouse and good children, all may not be smooth sailing for you at home. This is because you get irked by petty things and lose your temper quickly with the result you may find yourself isolated. Learn to check your outbursts.

The professions that suit you are becoming an advocate, writer, orator, politician or religious preacher.

Your lucky days are Sunday, Tuesday and Thursday whereas Monday is average. Wednesday, Friday and Saturday are inauspicious.

Since numbers play an important role in your life, rely on 3, 5, 6 and 8,

avoiding 2, 7 and 9.

The colours you would do well to opt for are white, cream, orange, blue, green and emerald. Red, pearl and black don't suit you.
