- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Mer 1 Y 8 M 26 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

At the time of your birth, Virgo Ascendant (Lagna) was rising with Aries Navamsa and Capricorn Dreshkana in the first Pad of Hasta which throws up two divergent qualities of your nature - you will be well versed in holy scriptures having a thorough knowledge of religion; and you wouldn't mind resorting to questionable means to achieve your goals.

Obsessed with the passion to amass wealth, it seems you would go to any length to secure it. Merciless, energetic and industrious, you may be tempted to twist the truth and give the go-by to fair play and decency to realise your goal. You are a happy-go-lucky chap, eager to enjoy worldly pleasures. Good at heart, you will have many social contacts in which you will always look for the company of the opposite sex.

That is why you shun matrimony for many years, but once you select a partner, you will stick to him/her like a leech. You will, in fact, become a home bird devoted to the family. In this, your spouse plays a vital part, as your partner will be god-fearing, always making it a point to keep you happy. Through your spouse you will also beget very good children, about whom you don't have to have any worry, as they are sure to be well educated and comfortably settled in life.

But it will not be all smooth sailing for you. You will have to brace yourself against hurdles and combat them effectively. This you are surely capable of, provided you display determination and single-minded purpose. But since you have a fickle mind, you are apt to alter your stance time and again. You will have to abandon this trait, by making up your mind on your course of action and then follow it up with vigour.

Better give up your desire for drinks. If you don't it may spoil your good health. During your youth and middle age, your constitution can battle out any adversity, but as you grow old, you may experience the ill-effects of liquor. Not that any major diseases will afflict you, but you will have to be careful about the incidence of headache and back ache, tumour and blood pressure in your old age. Since you are assured of a long life, it would be in your interest to safeguard against possible diseases.

The lucky days for you are Wednesday and Friday whereas Saturday is average. The other four days are not too favourable as they will prove expensive. Also, rely on numbers 2, 3, 5, 6 and 7, and avoid 1 and 8. Your lucky colours are white, yellow, emerald and green. Red, blue and black don't suit you.
