Personality Analysis

A life of fun and frolic, mirth and wealth is on the cards for you as per the astrological configuration of Pisces Ascendant (Lagna) with Virgo Navamsa and Pisces Dreskana in the second Pad of Uttara Bhadrpada at the time of your birth.

Almost everything is lined up in your favour. It is up to you to make positive use of it and make a success of life by attending to the job on hand promptly and with dedication. This aspect needs to be stressed as you attach much too much importance to sex. If you are not cautious, sex may land you in a fix. You have got to suppress the urge to paint the town red as that will not only upset your family balance, it will also make you lethargic, in which event your work will suffer.

But, if you lay off this temptation, then you can make very good progress. You can amass wealth, which will consist not only of your own earnings but also acquired property. You have the ability to crush your enemies if they try to throw a spanner in your works.

Not only can you have a blissful home, you can also collect good circle of friends, as you will be a member of social clubs. Courteous and hospitable, you will be popular with your friend. But here you may encounter a problem. You are a person who pins abundant faith in others' promises and expects positive results. When the friends keep their promise, well and good. But what if they go back on them? This is exactly what will happen as some, who are close to you, will let you down in times of your need. Hence over reliance on others should be avoided.

If you toe a sober path, your own family members, as also the general public, will admire you for your qualities of generosity and charitable disposition.

Religious minded, you will visit holy places and as age advances, you will become pious and evince interest in philosophy and the occult sciences. You will acquire so much knowledge about these subjects that you can be, if you so choose, a mini preacher.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good. You can pin your faith on numbers 1, 3, 4 and 9 but under any circumstance not on 8.

Yellow, red, rose and orange favour you, but the colour that doesn't fit with your make-up is blue.
