## Personality Analysis

The combination of Leo Ascendant (Lagna) rising with Cancer Navamsa and Sagittarius Dreshkana in the fourth Pad of Magha at the time of your birth shows that an otherwise excellent life is marred by a lacuna - and that is, the native is not destined to enjoy the comforts of the company of father or son. There are indications that one may have problems of one sort or another with one's father and encounter difficulties regarding one's son too.

Barring this negative aspect, life will be superb. Earning a lot of money, enjoying the respect of others, bestowed with a high administrative position and dearly loved by the family, you will lead a fruitful life.

Regarding money, however, you will have to be cautious. As you aspire to put up an impressive image before others, you will spend quite a bit on the clothes and jewellery of yourself and your family members; and invest a lot on the upkeep of your house as you have the urge to invite your business associates and friends for parties.

Coupled with this, your generosity will make you provide financial assistance to the weaker sections of society. Consequently, you may not be left with any appreciable assets in your old age. Proper planning of expenditure is called for to avert such a situation.

You are born to lead and that is what you will do. Making full use of your inborn quality of leadership, you can hope to rise to a top position in a corporation or a leading firm. With your dynamic and quick-silver approach, you will be able to make a success of any job that you take up.

In spite of your busy schedule involving much work and travel, you will manage to spend reasonably adequate time with your family members whom you love a lot.

You have a slightly dramatic trait in you; and that is you have the ability to alter your behaviour according to the situation. Not that you indulge in this frequently, but when you do, you make a pretty good job of it.

Health will be good by and large, but in old age you may run the risk of suffering from heart trouble and spinal meningitis because of your rather tense nerves and rash approach to things in life. Learn to relax and take it easy. It will do you good if you observe fast on full moon days.

Now since most people are giving up black and white and going in for colour, you had better follow suit. Prefer green, orange and red which are your lucky colours.

The numbers about which you will have to be careful are 2, 7 and 8 as they don't suit you. Opt for 1, 4, 5, 6 and 9 which will prove favourable.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.
