Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Working with a lot of energy and a spirit of adventure, you will undoubtedly achieve your ambition, but the point is in spite of high income your savings will not be much. Why ? Because you are fond of everything that is good in life. You want to dress well, you want to satisfy your refined tastes and generally have a good time.

Having a religious bent of mind, you will evince much interest in astrology and the occult sciences. You will visit holy places and render social and charitable services. You will treat with kindness and consideration those who seek your help.

So far as you are concerned, any profession is as good as any other. But you can shine even more brightly if you opt to become a lawyer or a scientist or an engineer or a surgeon. In business you can fare well if you take up civil contracts or deal in sports goods, radio, television, jewellery or automobile spare parts.

With your stout physical structure and attractive eyes, you will make a tremendous impression on one and all. Drawn towards you, many of them will become your close associates, thus further enhancing your prospects in life.

Deriving a lot of comfort from your spouse and children, you will have a peaceful, happy home. Despite your tight schedule of work, you will find enough time to spare for your family, for whose sake you will do everything to keep them satisfied.

Your health will no doubt be very good, but there is a hint that in later years you may suffer from kidney and bladder troubles and experience urine difficulty. This threat can be met if you take preventive steps well in time.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.

The numbers that are extremely favourable to you are 2, 3, 5, 6 and 7. Make sure to keep clear of 1 and 8.

For a colourful individual like you, the fortunate colours are white, yellow, green and emerald. Don't at any time prefer red, black or blue.

Ms.

At the time of your birth, Gemini Ascendant (Lagna) was on the rise with Taurus Navamsa and Aquarius Dreshkana in Punarvasu second Pad. This shows you are lucky, because you can lead a comfortable and happy life. But then, you have a drawback, which you will have to set right so that things work out in your favour.

Your drawback is a restless mind, which tempts you to switch from one job to another all the time. You are so impatient that you expect immediate results. Due to this, you will be tempted to leave many a work half done, with the result you won't get the benefit of your hard work. So, take your time in coming to a decision and then stick to it.

You have tremendous grasping power which enables you to pick up others' ideas and pass them on as your own. This makes people come to you to seek guidance and advice. Generally, your judgment about men and matters turns out to be correct.

Your good nature makes you popular with friends and relatives, all of whom respect you. Another reason for your popularity is you have a sharp and intelligent mind and you are sincere, reliable and charitable.

Being devout, you don't have too high an ambition in anything you do. You don't aspire for the moon, but feel happy and satisfied with whatever the returns.

If you work with determination, wealth will come your way. From the age of 25 especially, you will become opulent. With the major worry of lack of finance out of the way, you will attend to the comforts of your family members. You will have a peaceful home, with children providing many comforts, but you will have to be cautious about your sex life. Better to choose your life partner from one born under the Libra, Aquarius, Leo or Aries signs.

As you are fond of travelling, you will enlarge your circle of friends, many of whom will extend their wholehearted co-operation to you.

Fairly good health is assured to you, but you will have to be on guard against possible attacks of tuberculosis, bronchitis and stomach upset.

The professions that suit you are law, teaching, book publishing and journalism.

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive

The numbers on which you can bank upon are 3 and 7 which vibrate in your favour. Those unsuitable to you are 4 and 8.

You have a fascination for white. Better give it up. The colours which favour you are yellow, pink, purple, green and blue. Black and red won't suit you.

As a result of Ketu's influence, you will face dissatisfaction in life. You have to work very hard for success and family peace because fate does not favour your prosperity.

You believe superficially in religious rites. You may involve yourself in Tantra and mantras for your achievements and to change the position of the stars. You have faith in religious rites and will try to do regular Pooja. Whatever little luck you have will be only because of your religious worship.

Though Gemini Lagna indicates long journeys for professional pursuits and pleasure, Ketu makes this impossible and instead loss is indicated in long journeys both financially and otherwise.

Physique, Health & Nature

Renu kumari

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advice of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

Ms.

Those born under the Gemini sign are normally tall and slim, so slim that their veins will be visible. Of moderate complexion, they will have long arms and an oval face with hazel or gray eyes. With their upright figure, they impress people by their graceful and effective way of handling things.

They tend to spoil their health by their own high-strung behaviour. They not only overwork, they are always on edge, unnecessarily worrying too much about

the outcome of their efforts. In a of hurry all the time, they are impatient for quick results.

Geminians must overcome this trait by giving adequate rest to the body and the mind; otherwise their health is bound to be affected. Some of the steps you should take care to learn to relax, develop mental poise and do physical exercise in the open so as to inhale plenty of fresh air.

You must improve your concentration if you desire to stream-line your fickle-minded nature. Driven by hesitation, doubt and uncertainty, you shift and change your position on issues frequently, with the result you will indulge in double talk to the annoyance of others. Ever impatient, you will engage yourself in more than one pursuit at a time which, will be highly disadvantageous, Given the will, you can surely get over this as you have an astute mind which can grasp ideas in a jiffy. Plus, you are a flexible individual who can fit into any design. Hence, if you put your faculties to proper use, you will be able to lead a comfortable life without having to face a continuous stream of difficulties year after year. Education, Mother, Conveyence & Property

Renu kumari

At the time of your birth, the Sagittarius sign was rising in the fourth house. The general trend indicated by this is that you will be brought up in a typical Indian home, in which the mother dutifully plays her conventional role. She will be an obedient wife to her husband, not interfering in his affairs, but advising him only when the occasion warrants it. And she will be a loving mother to the children, sparing no effort to provide them with the atmosphere required for achieving high academic qualifications. On your part, you will live up to her expectations, scoring a top degree in literature, science, accounts, mathematics or statistics. You may also gain some knowledge about the occult sciences, there by possessing some power of intuition.

It is probable you will get a share of the ancestral property. Your idea of making good use of it is to construct a big house so that you can accommodate guests also. You are particular in decorating your home luxuriously to make a good impression on others.

As you are a show-off, you would want to own a vehicle in keeping with your status. And since you are likely to be well placed in your profession, you may as well go in for a sleek automobile.

You are aware that drinking and smoking may, at least in later years, affect one's heart and cause one to suffer from asthma. Yet, if you cultivate those habits, you will have only yourself to blame.

Ms.

The overall picture presented by the Virgo sign rising in the fourth house at the time of one's birth is indeed very rosy. It holds out promise of a comfortable life of plenty and pleasure. But the thing to be borne in mind is that if the promise materialises, it will be mainly because of the backing and blessings of one's mother.

The position is that you are likely to have an intelligent, hard-working mother whose sole ambition is the progress of her children. But it is not easy to spot her sincerity since the lady doesn't display her deep emotions openly. That is the reason that in spite of possessing sterling qualities, she finds it difficult to please her husband.

It is because of the good offices of your mother that you may come to possess a part of your ancestral property, including landed assets. The odds are you will have the benefit of owning your own vehicle and residence too. Your abode will have to be quite impressive as you are an individual who won't be satisfied either with a small house or a small job.

It is better to rest content with the wealth at your disposal instead of being too avaricious. You may have the urge to go after even more riches and consequently try to unearth some hidden treasure or the other. Suppress that temptation as it will be a sheer waste of time.

Overcoming minor hurdles, you will manage to complete your academic course and later widen your knowledge by studying various subjects.

Health wise you should be okay, but you may spoil it by your own actions. Care is needed on that front, as you may invite problems connected with the lungs by overindulgence in drinks and excessive smoking. You will be fine if you remain a teetotaler.

But, in your case there are some deviations, primarily because of the presence of Saturn in Virgo in the fourth house. The most glaring aspect is your opposition to your mother even though she loves you immensely and will be instrumental in your coming into possession of a share of the ancestral property.

Luck, however, favours you, providing you with a good house and a congenial family.

You have such strong likes and dislikes that it is hard for you to be neutral about anything. You relate to the world around you very emotionally, and there is very little to which you do not react.

Family Life, Marriage & Business Partner

Renu kumari

Born when Pisces was in the seventh house, you can be optimistic of a good family life. You will have a good marriage and get an intelligent, wise and understanding spouse who will provide you with domestic comforts and happiness. An ideal match for you will be from the Capricorn, Cancer, Taurus or Scorpio signs.

Your marital relations will be even stronger if you treat marriage as a partnership than as one in which you should be dominant. This will ensure a pleasant, friendly atmosphere at home. The effect of a loving couple will be reflected in the behaviour of the children, who will come up to your expectations and earn a good reputation.

Regarding your desire to go into trade rather than taking up a job, you had better give up the thought. In the first place, the returns on your investments in any venture will be poor. Secondly, you are not only hard working, you are also a hard task master. You expect others to emulate you and attend to the work on hand without wasting even a single minute. But this, as you know, is not a practical proposition. So, if you enter into business with a partner, you will be disappointed when you find the latter lethargic and your having to carry the entire burden. Hence abandon the idea of doing business. Instead, service will prove immensely beneficial as you are a dedicated and sincere worker. This will enable you to rise high in your profession.

Ms.

Sagittarius being a dual sign in the seventh house, you will experience a mixed fortune in life, be it in the professional sphere or in the domestic set-up. But it is the latter that is more important to you. as you firmly believe that the maximum pleasure lies in romance than in anything else.

Pinning faith on the dictum that variety is the spice of life, you will try to derive as much enjoyment as possible even if it means being unfaithful to your spouse. The only check that can be applied on you in this regard will be by a mate who can strike a common wavelength with you. On your part, you can give up the wayward path if you select a spouse from the Libra, Aquarius, Aries or Leo signs.

Even if you get a perfect partner, you won't be prepared to compromise on your freedom and insist on being the boss all the time. You will resent any

criticism of any of your actions by your spouse. Your romantic emotions are governed more by calculative and cunning thoughts than by emotions. Being money-minded, you wouldn't mind putting an end to your marital partnership if you find your partner is a source of expenditure.

As you are an intelligent and interesting conversationalist, the professions that suit you are intelligence agent, advocate, share broker or business. If you desire, you can be a writer or a journalist since you have the ability to write convincingly.

As you like to travel a lot, you may forge friendship with many persons, and with some you may strike an understanding to boost your income.

A good marriage and a devoted spouse are assured to you, due to the location of Venus in Sagittarius in the seventh house, but in spite of it if you are not destined to enjoy a happy domestic life, it will be solely because of your actions. Endowed with a magnetic personality, you will prove to be a hit with the opposite sex and consequently you may be tempted to have affairs with them. If you do so, you may contract diseases which will affect your virility. You may also be asking for trouble from your children who won't relish your behaviour and actions.

Your chart does not show any evidence of robbery and the minor thefts. If they do occur, will not worry you at all. But on the whole you and your possessions will be safe.
