- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Ven 10 Y 2 M 16 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

## Personality Analysis

Gemini Ascendant ( Lagna ) on the rise with Aquarius Navamsa and Libra Dreskana in Ardra third Pad at the time of your birth presents a rather curious picture of your personality. While as a Gemini you should be the dominating type, lording it over your spouse, Aquarius Navamsa depicts you as being submissive. How you will work it out, only you know.

You no doubt want a peaceful and happy family life, more so as you are given to entertaining your business associates and contacts to parties at home. You want your spouse to wink at your sexual activities and if your partner proves to be a tough nut, then you will go to the extent of even giving up your settled life. You will have to be very cautious about this. It would be better if you pick your life partner from among those belonging to the Libra, Aries, Leo or Aquarius signs. That may help in ensuring a balanced homely life.

Most Ardrians display a violent temper, are ungrateful, even do wicked deeds and inflict pain on others, but these tendencies, if persistent, can be overcome by leading a systematic, normal life, without nourishing the ambition of earning too much too fast.

Gemini's, ever impatient in most matters, want things to move at electrifying speed. The moment they launch a project they want instant results. Not for them the time consuming routine and rules and regulations. As a result, they make it almost a regular habit to change professions in the hope of getting quick returns. This will make them unsteady and unable to settle down in any one particular job. If this habit is given up, they can fare well in life, especially from the age of 26.

The professions well suited for Gemini's are dealing in books, advertising and publicity. If they hold on to any one of these, then they will prosper.

Gemini's will have to guard against some dreaded diseases like tuberculosis, asthma , diphtheria, etc.

Since their nerves will be under constant strain because of their hectic life, they should learn to relax and take plenty of rest and sleep.

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive.

The numbers that go well with you are 3 and 7; keep off 8 and 4. Avoid

black and red. The colours that suit you are purple, blue, green and yellow.
