## Personality Analysis

The configuration of Gemini Ascendant ( Lagna ) rising with Sagittarius Navamsa and Gemini Dreskana in the first Pad of Ardra indicates a life full of ups and downs, more downs than ups if you are not careful. There is no escaping from the distinct possibility of encountering adversities. But they can be fought only if you take preventive action from the very beginning. The only silver lining is that life is likely to be better from the age of 25 provided you act with equanimity giving up your wayward activities.

Actually, for a person of your intelligence and knowledge, you should go far in life. If you stick to any one chosen path with courage and determination, you will emerge on top. Professions like journalism and writing, in addition to the fine arts, will pay dividends.

But the hurdle you will have to clear first is your habit of indecision and aspiring for changes frequently. Otherwise, you would be a rolling stone which won't be to your advantage. Your intolerance with any kind of delay and eagerness for short-cuts, brushing aside accepted norms and rules, has got to be overcome.

You can accomplish any job you undertake with a lot of grace. But the difficulty is you lack concentration and switch over from one assignment to another without completing the one on hand.

It is your excessive ambition that drives you to do these things, because you want to get rich in a flash. It is this streak which finds you sometimes working at two places simultaneously to boost your income. But this will only be a passing phase.

Another problem with you is about getting on with people. A person who can't suffer mediocre, you will constantly change your circle of friends. They too find it difficult to find a common wavelength with you, as you are a person who is not easy to understand.

You have the uncanny power to grasp the ideas of others and display them later as your own. This undoubtedly makes a tremendous impression on others, but you fail to convert this to your advantage. There is no other way for you to rise in life than putting to profitable use your many-faceted talents.

Caution, as against recklessness and desperation, should be the key word in your life. Hence note the following points and act accordingly :

Stick to yellow, green, blue, purple and pink colours which are favourable to you. At any cost, keep clear of black and red. Rely on numbers 7 and 3; shun 4 and 8.

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive.
