## Personality Analysis

At the time of your birth Libra Ascendant ( Lagna ) was rising along with Taurus Navamsa and Gemini Dreskana in the second Pad of Vishakha which shows you are a very clever, crafty person who will stop at nothing to amass wealth. And you will be lucky to achieve your ambition. The brightest patches of your life will be during your 21st, 28th and 34th years.

As far as you are concerned, any means are as good as any to make money. You wouldn't mind driving a wedge between two parties if that boosts your coffers. Also, you are very jealous of others' property which goads you to do all that is in your power to surpass them.

You are undoubtedly very intelligent, with a bright appearance, knowing how to get on in life. But your arrogance makes you behave rather crudely with propel which will not be to their liking; hence some of them may turn hostile, but your strong willed character helps you to crush the opposition at least for the time being. However, they will always nourish hatred towards you.

Hence, you would do well to move cautiously and with tact so that your projects proceed smoothly, instead of treading a rough path. If you learn to behave with more patience and understanding you would stand to gain even more, as you will be able to strike lasting friendships and increase your earnings.

Tact should be the key word for you, whether in business or at home. You will have to adopt a decent approach towards your spouse if you aspire for a happy home. Not only will you make hectic love to your partner, you will also be constantly on the look out for new pastures to satisfy your love lust. It is entirely up to you to strike a balance to ensure an enjoyable homely life.

The professions in which you can shine are dealing with foreigners, travel agency, business and share market.

Due to your hectic and varied activities, you may find your, good health showing signs of deterioration in your old age when it may be afflicted by diseases like congestion of the brain and tumour. So keep a proper check on your diet and visit your doctor regularly.

The numbers that suit you in your pursuit of wealth are 1, 2, 4 and 7, the ones that don't suit you are 3, 5, 6 and 9.

Keep clear of green and yellow colours which are unfavourable to you.

Prefer red, orange and white.

The lucky days for you are Friday and Saturday whereas Wednesday is average. The other four days are not too favourable as they will prove expensive.
