Personality Analysis

If indeed some are born lucky, then you are one of them. At the time of your birth, the astrological configuration was Sagittarius Ascendant (Lagna) rising with Sagittarius Navamsa and Leo Drekkana in the first Pada of Uttarashadha, signifying that you are destined to enjoy a life of affluence, health, and happiness.

For your part, you will contribute significantly to your success. Though somewhat late in maturing and settling down in life, you will rise to any occasion through your well-considered actions. Your greatest assets are your qualities of tolerance and obedience. You know how to secure the favor of wealthy individuals who hold you in high esteem. By utilizing these connections wisely, you will earn well. However, this success will not make you arrogant; on the contrary, you will return favors, as you believe in the principle of 'live and let live'.

You are clever and wise; thus, you will attract many friends who admire your virtuosity and seek your guidance in times of stress.

You will have a pleasant home, enjoying the company of a dutiful, loving spouse and well-bred children. You will spare no effort to keep them happy, and your home will be the envy of others.

The professions you can choose from for your advancement in life include international trade, export promotion, being a judge or arbitrator, or engaging in business connected with the earth, such as real estate, mining, irrigation, and archaeology.

As a quiet, unassuming individual not given to excesses, you will maintain your health very well throughout your life.

In later years, however, there may be a remote chance of ailments such as gastric trouble, paralysis, or skin irritation. If you take timely steps, you can ward off these threats.

Fortune will favor you if you rely on the numbers 3, 5, 6, and 8. Avoid 2, 7, and 9, which do not suit you.

Your lucky days are Sunday, Tuesday, and Thursday, while Monday is

average. Wednesday, Friday, and Saturday are inauspicious.

You should avoid three colors: black, red, and pearl. The ones that will prove beneficial are cream, white, orange, blue, green, and emerald.

Yearly Prediction - 2026

This year, Saturn will remain in Pisces in the Fourth House. Until November 25, Rahu will be in Aquarius in the Third House, after which it transits to Capricorn in the Second House. In the first half of the year, Jupiter will be in Gemini in the Seventh House; on June 02, it transits to Cancer in the Eighth House. On October 31, Jupiter will rapidly enter Leo in the Ninth House. This year, Mars will move at its normal pace. At the beginning of the year, Venus remains combust until February 01, and again for fourteen days in October.

Profession

The first half of the year will be moderately auspicious from a professional perspective. You will see improvements in your business performance due to the influence of Jupiter in the Seventh House. You will receive cooperation from friends, co-workers, and your spouse in your field of work. If you are involved in a partnership, you will be satisfied with your partner.

After June 02, the period takes a turn toward adversity. During this interval, fluctuations may prevail in your business. Therefore, do not initiate any new entrepreneurship. Continue running your existing business in a proper manner. Jupiter in the Eighth House points toward obstacles in business that could be created by hidden enemies. Those engaged in trades related to land or buildings may face losses.

Wealth, Property

The first half of the year will yield a rich harvest from an economic perspective. Due to the aspectual effect of Jupiter on the Eleventh House, there will be a continuous flow of income. You will be dedicated to accumulating wealth. The cooperation of your brothers and spouse will be at your disposal to consolidate your financial status.

After Jupiter's transit, the period will not be as favorable. Due to the adverse transits of both Jupiter and Saturn, your sources of income could be negatively affected. During this interval, you should not lend money to anyone, as recovery may be well-nigh impossible. This period does not signal positive returns for investment; therefore, you are advised not to make any investments this year.

House, Family and Society

This year offers moderate blessings from a family perspective. In the beginning of the year, you will have harmonious relations with your spouse due to the effect of Jupiter in the Seventh House. If you are waiting to get married, the union could be solemnized. Your social rank and prestige will also increase.

After June 02, the period will become somewhat adverse. Saturn's placement in the Fourth House could cause disharmony within your family. Emotional attachment among family members may decline, and the health of your parents could be negatively affected.

Children

The first half of the year will be favorable for matters concerning your children. Your children will make progress, and their interest in studies will trend upward. They will achieve their targets through their own destiny and efforts. This period is quite favorable for your second child; if they are of marriageable age, be prepared for their wedding.

After June 02, Jupiter's transit will be less auspicious. Due to health issues, your children's studies could be impacted. They will need to put in continuous and sincere effort to achieve success. However, the period after October 31 will become quite favorable again.

Health

The first half of the year will be favorable for your health. Pious thoughts will fill your mind. To maintain good health, your daily routine and eating habits should remain consistent. Since a benefic planet has an auspicious effect on your Ascendant, you should stick to a vegetarian diet to maintain sound health.

After June 02, the time period will not be supportive of your health. You may be affected by weather-borne diseases. Jupiter, posited in a watery sign in the Eighth House, could cause phlegm, digestive system, or stomach-related problems. However, after October 31, your health will start to improve.

Career and Competition

This year will yield average results regarding career and competitive examinations. Sincere and ceaseless efforts must be put in to achieve success. The first half of the year will be supportive for students, and the period is favorable for

professional and technical education.

After June 02, the time period will begin to turn adverse. During that time, breaks or hindrances could arise in your studies. Those who are still unemployed will have to wait a little longer to secure a job.

Travel and Transfer

This year will be highly fruitful from a travel perspective. Rahu, posited in the Third House, will lead to both long and short journeys.

Those in service may face transfers to distant locations, which may not be to a desired place. After June 02, due to the aspectual effect of Jupiter on the Twelfth House, you will undertake a journey to a foreign land.

Religious Deeds and Propitiation of Planets

This year will be auspicious for religious ceremonies. You will perform a fire sacrificial ceremony (Hawan) alongside your life partner. You will also earn spiritual merit by undertaking pilgrimages. After June 02, however, you may not be able to perform as many worships or religious deeds due to excessive prior engagements.

1. Worship the Sun and offer water every day.
2. Donate black items or articles in charity on Saturday, such as a Tawa (an iron griddle used for baking bread).
3. Donate bananas or Besan laddus to the poor on Thursdays and observe a fast on those days.

In the sphere of education, the path won't be smooth, and you may decide to stop before obtaining any worthwhile qualification.

No doubt you can hope to live to a ripe age, but be careful to avoid sustaining injuries from falls or crumbling buildings.

He will heartily respect and obey her. He will selflessly serve her throughout his life. They will get along well and lead a peaceful and happy life.

Mars

Mars in Libra in the eleventh house indicates that you will face many obstacles in the fulfillment of your desires and aspirations; even then, they may not be realized to the extent you wish.

Although a Sagittarius Ascendant indicates that you will be close to your elder sisters, Mars in the eleventh house reverses this. This indicates that you will have better relations with your elder brothers, though this does not necessarily mean you will share a perfect rapport with them.

Your friends will be bold and courageous, though some may be deceitful. Some will be businesspeople. You will encounter similar types of people in society as well.

At the time of this child's birth, Mars was in the eleventh house, which shows that his siblings will suffer from poor health occasionally. They will respect and love each other and support him in every possible way.

You will live a medium lifespan. During the final years of your life, you may suffer from a skin disease.

Jupiter

Jupiter in Gemini in the seventh house indicates that you will marry an attractive, virtuous person from a respectable family, bringing you significant wealth and property. Initially, marital relations will be good, but any later strain will be your responsibility. This is because you may show undue interest in others. Additionally, there is an inexplicable side to your nature; you are highly suspicious of everyone, including your spouse. Consequently, you may imagine problems where none exist, which will not only spoil the family environment but may even lead to a separation.

Venus

A profession connected with travel would be ideal for you, according to the indications provided by the location of Venus in the tenth house. Journeys will not only prove financially beneficial but will also enable you to establish contacts with influential persons.

You will, however, have to face some problems. For one, you may not have a good rapport with your father, as you might resent his activities. Consequently, you may not receive a share of ancestral property. Additionally, do not antagonize officials or invite police action. In the event that others want to involve you in litigation, try your utmost to settle it out of court.

Saturn

Saturn in Aquarius in the third house indicates that you may occasionally lack self-confidence.

While Sagittarius Lagna indicates mutual cooperation with your siblings,

Saturn's influence is stronger, and you will be worried and unhappy due to their behavior. They may prove to be unreliable and unwilling to assist you.

Although Sagittarius Lagna suggests an interest in music, Saturn diminishes this. You have very little interest in music, dance, song, or film, viewing them only as pastimes for those without worries.

Rahu

Rahu in the 6th house may lead to health issues. You may suffer from minor ailments or contagious diseases, such as gout, rheumatic pain, hip fractures, coughs, colds, or skin issues. As your stomach is sensitive, you may also experience constipation, amoebic trouble, plethora, or diabetes.

Your servants may be tempted to steal and might disclose your secrets to others. This is due to Rahu's influence, as a Sagittarius Lagna typically indicates the opposite behavior.

A Sagittarius Lagna indicates good maternal relations, but this placement of Rahu may cause your maternal relatives to turn against you. They may offer little help, and you might experience worry on their account.

Ketu

You may be the sole supporting member of your family and will likely spend most of your resources on family expenditures, household expenses, and medical treatments, which may leave you with very little savings. Consequently, you may not be in a position to save much money.

Ill health may keep you confined to one place, making it difficult for you to attend to your other responsibilities.

You may travel within the country to seek the best medical treatment. There is also a slight possibility of traveling abroad for the same reason.

Ketu in Scorpio in the twelfth house suggests the possibility of hospitalization. Troubles with the left eye are also indicated.
