- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Sat 18 Y 3 M 8 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

## Personality Analysis

If indeed some are born lucky, then you are one of them. At the time of your birth, the astrological configuration was Sagittarius Ascendant (Lagna) rising with Sagittarius Navamsa and Leo Drekkana in the first Pada of Uttarashadha, signifying that you are destined to enjoy a life of affluence, health, and happiness.

For your part, you will contribute significantly to your success. Though somewhat late in maturing and settling down in life, you will rise to any occasion through your well-considered actions. Your greatest assets are your qualities of tolerance and obedience. You know how to secure the favor of wealthy individuals who hold you in high esteem. By utilizing these connections wisely, you will earn well. However, this success will not make you arrogant; on the contrary, you will return favors, as you believe in the principle of 'live and let live'.

You are clever and wise; thus, you will attract many friends who admire your virtuosity and seek your guidance in times of stress.

You will have a pleasant home, enjoying the company of a dutiful, loving spouse and well-bred children. You will spare no effort to keep them happy, and your home will be the envy of others.

The professions you can choose from for your advancement in life include international trade, export promotion, being a judge or arbitrator, or engaging in business connected with the earth, such as real estate, mining, irrigation, and archaeology.

As a quiet, unassuming individual not given to excesses, you will maintain your health very well throughout your life.

In later years, however, there may be a remote chance of ailments such as gastric trouble, paralysis, or skin irritation. If you take timely steps, you can ward off these threats.

Fortune will favor you if you rely on the numbers 3, 5, 6, and 8. Avoid 2, 7, and 9, which do not suit you.

Your lucky days are Sunday, Tuesday, and Thursday, while Monday is

average. Wednesday, Friday, and Saturday are inauspicious.

You should avoid three colors: black, red, and pearl. The ones that will prove beneficial are cream, white, orange, blue, green, and emerald.
