Lal Kitab Chart

Lal Kitab Planetary Predictions

Sun

The Sun in your horoscope is placed in the 8th house. Consequently, you will display a lot of anger. You will be restless, attracted to women, a follower of truth, and a devotee. At the time of your passing, you will not suffer from serious disease or agony; your life will be long. If you avoid stealing while living with your sister's in-laws, it will be to your benefit. If you remain honest, you will be lucky.

No one in your family will pass away before you. If you sit with an ill person, they will be cured. Normally, you will lead a happy life. You will be truthful and tender-hearted. Occasionally, you may be ignored. You will be eager to perform all kinds of work. Others may also benefit from your money.

You will be saintly by nature and will tend to benefit the world through your deeds. If you quarrel with women, harass your in-laws for money, harbor intentions of theft and deception, or live in a south-facing house, the Sun will become weak for you.

A weak Sun may cause sexual disorders. There may be disturbances from government departments, a difficult financial situation, and failing eyesight. Bad company will be your ruin. If you maintain relations with anyone other than your wife, treachery awaits you. Beware of poisonous insects that can be fatal. You may suffer from backaches and hypertension. You may also suffer financial losses.

If you feel that you are facing the above problems, then follow these restrictions and remedies.

Restrictions:

1. Do not keep your kitchen dirty or filled with unnecessary items.
2. Do not have illicit relations with other women.

Remedies:

1. Serve your elder brother or a cow.
2. Offer water mixed with sugar to the Sun.

Moon

The Moon is placed in the fourth house of your horoscope. Your luck will shine. You will enjoy the comforts of land, property, a house, and vehicles. The ancestral business will be profitable. The textile business is particularly good for you.

You will enjoy complete bliss from your mother. Your old age will pass happily. You will certainly inherit ancestral property. You will travel abroad at government expense. You will have a steady flow of wealth.

The more you spend, the more your wealth will increase. By serving your mother and the public, your river of affection will become a sea. You will have a long life. Anyone who entrusts their wealth to you will not return for it. Your financial position will improve significantly after the birth of a son. If you opt for a government job or contracts, you will be financially prosperous.

Sea voyages will also bring wealth. You will receive cooperation from both your mother and your wife. You will enjoy luxuries fit for a king. Moving away from your ancestral business could be harmful. You have the potential to become a judge and will prove to be an excellent advisor. Seek counsel before taking any important steps.

Selling milk or water, quarreling with your mother or any elderly woman, changing your ancestral business, or failing to serve guests may weaken the Moon's influence. A weak Moon may lead to conflicts with your mother, causing financial loss and mental unrest. Ancestral wealth could be depleted. If you fail to express gratitude for help or cause distress to your mother, there may be a risk of accidents. Changing your ancestral trade or selling milk or water will result in losses and deprive you of the joy of children. Instead of serving guests, you might find yourself expecting money or goods from them.
