Muntha Prediction

In the first year of birth, the Ascendant is the Munthesh, and every year it advances by one sign. Add the elapsed years to the Ascendant and divide by twelve; the remainder indicates the present sign of the Muntha. The Muntha progresses by 2 ½ degrees per month or five minutes per day. If the Muntha conjoins benefic planets or its own sign lord, or if it is aspected by them or forms an lthasala yoga with them, the benefic effects are enhanced, minimizing any malefic results.

This year, you will suffer from various diseases which will leave you physically weak and exhausted. You will find it difficult to complete your important work. At times, you will regret some of your decisions. You may not get along well with friends and relatives. You will have to work very hard for even minor achievements. All of this will make you tense and worried.

Your enemies will try to create problems for you. There is a risk of robbery at your home, so be cautious. Your superiors and high-ranking officials will not be pleased with you. Along with this, you will have too many expenses and, to add to your troubles, there will be monetary losses as well. There will be hurdles on your path to success and most of your pending work will remain undone. Try not to get involved in disputes and face these difficulties with patience.
