Personality Analysis

Gemini Ascendant (Lagna) rising with Aquarius Navamsa and Libra Dreskana in the third Pada of Ardra at the time of your birth presents a curious personality profile. While as a Gemini you might naturally be the dominant type, lording it over your spouse, the Aquarius Navamsa suggests a submissive side. How you reconcile these traits is up to you.

You undoubtedly desire a peaceful and happy family life, especially since you enjoy entertaining business associates and contacts at home. You may want your spouse to overlook your outside interests, and if your partner proves to be difficult, you might even consider ending your relationship. You must be very cautious about this tendency. It is advisable to choose a life partner from those born under Libra, Aries, Leo, or Aquarius to ensure a balanced and harmonious domestic life.

Most Ardrians display a violent temper, are ungrateful, and may even perform wicked deeds that inflict pain on others; however, these tendencies, if persistent, can be overcome by leading a systematic, normal life without harboring the ambition of earning too much too fast.

Geminis, ever impatient in most matters, want things to move at an electrifying speed. The moment they launch a project, they want instant results. Time-consuming routines, rules, and regulations are not for them. As a result, they often make it a regular habit to change professions in the hope of getting quick returns. This makes them unsteady and unable to settle down in any one particular job. If this habit is relinquished, they can fare well in life, especially from the age of 26.

The professions well-suited for Geminis are dealing in books, advertising, and publicity. If they hold on to any one of these, they will prosper.

Geminis will have to guard against certain dreaded diseases such as tuberculosis, asthma, and diphtheria.

Since their nerves will be under constant strain because of their hectic life, they should learn to relax and take plenty of rest and sleep.

The lucky days for you are Wednesday and Friday; Saturday is average. The other four days are not very favorable as they may prove expensive.

The numbers that go well with you are 3 and 7; keep off 8 and 4. Avoid black and red. The colors that suit you are purple, blue, green, and yellow.
