Muntha Prediction

In the first year of birth, ascendant is munthesh and every year it increases by one sign. Add the previous years to the ascendant and divide by twelve, the remainder is the present sign of muntha. Muntha increases by $2\frac{1}{2}$ degrees per month or five minutes per day. If muntha conjoins benefic planets or it's own sign lord or it is aspected by the same or forms ithyashal yoga with them then the benefic effects are increased minimizing the malefic results.

This year you will be suffering from various disease from time to time Even mentally, you will remain unhappy and dissatisfied. Your relatives will not help you in any way. On the other hand they will create unnecessary problems for you. Your enemies will also cause you trouble. You will lose faith in religion and ignore religious rites.

For progress in business and work this period is not convenient. There will be hurdles on your path of success Try not to ignore your superiors or high officials and be careful of your colleagues and business associates. Do not invest on any new project otherwise you will face failure. During this period even your friends will behave like enemies as a result of which mentally you will be under tension and fear. You must face the difficulties with patience and courage.
