## Personality Analysis

At the time of your birth, Gemini Ascendant ( Lagna ) was rising with Capricorn Navamsa and Libra Dreskana in the second Pad of Ardra, signifying a rather split personality:

While on the one hand you will make determined efforts to cover others' properties, on the other, persons more intelligent than you make a bid to exploit you. How these two irreconcilable features work out is anybody's guess.

You are a very smart and well read person with an artistic bent of mind. You enjoy music and dance and derive pleasure in impressing others with your witty talk. Consequently, you could rise to great heights in any sphere, but the snag is you don't pursue anything with determination and give up jobs midway through and cross over to other areas. This is a major drawback which has got to be overcome if you aspire to make it big.

Another negative quality about which you have to be careful is your irascible temper. You lose your patience very quickly as you are a person who can't stand delay of any sort. That is why you don't have any permanent friends as they desert you because of your short temper. Also, they find it difficult to understand you because more often than not you give the impression of indulging in double talk-saying one thing for public consumption, while actually meaning something else.

Of a lean and upright stature with a dark complexion, you prove a hit with members of the opposite sex due to your attractive eyes and interesting talk. This results in your having many affairs and suffering much misfortune because of romantic misadventures. At home, you want to be the domineering partner, bossing over your spouse. You expect spouse not to take seriously your sexual exploits. But if the partner does, then you will go to the extent of walking out. A way out of this would be to select your partner with care. Gemini's are best suited for persons born under the Leo, Aries, Libra or Aquarius signs. If you select a proper mate, not only will you have a peaceful home but you will also be blessed with good offsprings.

In spite of various hurdles in the way, you will enjoy a bright period from the age of 25.

Though your health will be generally good, you would do well to take steps in advance to prevent diseases like asthma, cough and diphtheria worrying you as

you grow old.

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive.

The numbers which vibrate in your favour are 7 and 3, but those which don't go well with you are 4 and 8.

The colours that suit you are purple, blue, green, yellow and pink. Keep off red and black.
