Personality Analysis

The astrological configuration at the time of your birth shows Aries Ascendant (Lagna) was rising along with Virgo Navamsa and Leo Dreshkana in Bharani second Pad, denoting great luck smiling on you, especially when you take chances for making quick money like, say, buying lottery tickets. Even otherwise, you will have a fairly comfortable and enjoyable life with more than enough income which enables you to indulge in seeking extra pleasures.

You are of moderate stature, possessing a lean, yet muscular body. Your forehead will be comparatively broad with prominent eyes. Maybe you have an old injury scar on your forehead. Your total personality is pretty attractive, especially to the members of the opposite sex. This may in turn tempt you to seek sexual enjoyment beyond your bedroom, resulting in your contacting venereal diseases. So, look out!

Quite talkative, you are given to expressing your views on matters even when they are not needed. This you do, not only to show off that you have above-average intelligence, but also because you just can't keep your mouth shut. This makes you popular with most of those with whom you come in contact. Also, it helps you to enlarge your sphere of friends and acquaintances for your own benefit.

You possess plenty of self-confidence and leadership qualities. That is why you don't attach any importance to others' views and rely solely on your own judgment to take decisions about your plans. But on rare occasions you get confused when confronted with more than one alternative solution, but you get over it without much difficulty.

Normally you keep good health as you have the will power to ward off diseases. But you run the risk of sustaining minor injuries. The one thing you have to be very cautious is regarding possible serious accidents, especially to the head. If you are careful, you will emerge from them unscathed. Because of your excessive zeal and desire to amass wealth in the shortest possible time, your mind and body will be under constant pressure. So, make sure to keep yourself as relaxed as possible by taking rest and enjoying adequate sleep. Otherwise you may suffer a nervous breakdown and brain affliction. You need not be alarmed about these possibilities, as you can prevent the incidence of these things by seeking periodic medical advice and leading a systematic life. For instance, your general health will be good if you avoid consuming liquor and shun non-vegetarian food. Take plenty of green vegetables.

As you are a person who believes in taking chances to earn plenty of money, you may as well follow the guidelines listed below :

The lucky days for you are Sunday, Monday and Tuesday, while Thursday is fair enough. The other three days are not too favourable as they will prove expensive.

For you, the lucky numbers which vibrate are 9 and 1 while those which attract you are 4 and 8. Numbers 6 and 7 don't suit you.

Go in for red, golden and yellow colours which will prove lucky for you.
