Personality Analysis

At the time of your birth, Scorpio Ascendant (Lagna) was on the rise along with Capricorn Navamsa and Cancer Dreshkana in the second Pad of Jyestha, depicting you will have a blissful home, blessed as you are to have an understanding spouse and children who will do you proud. But it will be entirely up to you to maintain the balance at home by reciprocating their feelings. It calls for adjustments on your part, as you are an individual with two sides to your personality. You have mastered the art of saying one thing for public consumption and doing another. Like, for instance, your posture on religion. In public you post as being highly religious, but in actual fact you are very much a man of the world eager to go after all earthly benefits and enjoyments.

You will no doubt be wealthy. You have sufficient learning and backed by the power of intuition you will make determined efforts to achieve your aim. And more often than not you will triumph. In case you encounter any hurdles, you will display a fighting spirit to clear them. In fact you enjoy battling adversities since you are a person who is basically anti- establishment.

As you have a literary bent of mind and evince keen interest in various kinds of arts and skills, the professions that would go well with you are journalism, book publishing, advertising and publicity, dealing in musical instruments or taking up insurance agency.

One thing you will have to be careful during your entire life span and that is about health. You will have to be on guard, particularly during your 13th, 27th, 31st and 49th years, as there are indications of your being stricken with tumour, fistula or venereal diseases. About the last named especially, you will have to take precautions as you are a passionate lover deriving plenty of pleasure from sex.

You will also have to keep your fiery temper under check lest it affect your nervous system. Learn to relax. As you are a superstitious person, you would benefit from following the guidelines listed below :
