## Personality Analysis

The astrological configuration at the time of your birth with Aries Ascendant (Lagna), Scorpio Navamsa and Sagittarius Dreshkana in Bharani fourth Pad, indicates a rather conflicting picture which can be sorted in your favour if you display the will and determination to achieve your goals.

The general trend clearly denotes you will have a life of plenty and pleasures, enjoying good physique and health, free from diseases and grief. But the fly in the ointment is the Scorpio Navamsa which points to the possibility of your having a defective limb, being poor and diseased. No need to feel alarmed about it. Since you are a person with abundant courage and intelligence, determined to achieve success in life, you are capable of warding off any evil that may come in your path. In addition to pursuing your ambitions with single-minded devotion, it would serve you well to be honest, God-fearing and helpful to the needy, all of which go a long way in aiding you.

Actually, from the age of 25, it should be a golden period for you, with a lot of money, power and position flowing in your favour. You can, in fact, reach such commanding heights where you will be able to lead a life of luxury and command the services of servants.

By nature highly sexy, you are likely to go after all sorts of partners, running the risk of contracting unmentionable diseases. Better avoid it by restricting your area of operations to a select few.

Your high ambitions drive you to indulge in day-dreaming most of the time. It is up to you to convert those dreams into reality by sincere and hard work, of which you are certainly capable.

Whatever the hurdle, you have the ability to clear it as you are born with leadership qualities combined with courage and ambition. Sometimes you are so headstrong that you will incur the displeasure of even your friends. This is to be avoided, as many from among the long list of your friends will ever be willing to extend their wholehearted support to you. You will strike more and more friendships as during your innumerable travels you will come in contact with many persons in various parts of the country.

In spite of your adventures and extra-curriculum activities, you will enjoy a good family life. You will have good rapport with your mother and you will have a very understanding spouse. You will spend quite a bit of time with your family

members despite your hectic life.

The lucky days for you are Sunday, Monday and Tuesday, while Thursday is fair enough. The other three days are not too favourable as they will prove expensive, while the numbers which will prove beneficial to you are 9 and 1. While choosing colours, try, as far as possible to go in for red, yellow and golden. At any cost avoid black.
