Personality Analysis

At the time of your birth, the Virgo Ascendant (Lagna) was on the rise with Gemini Navamsa and Capricorn Dreskana in the third Pad of Hasta, which indicates that you are a person fond of reading and interested in creative pursuits. This should turn out to be profitable.

However, it is your intellectual caliber that may land you in trouble. You tend to criticize and find fault with most people you encounter, which results in a majority of them becoming hostile toward you. Some of your friends and associates may even campaign against you in public. Therefore, it is better to exercise patience and maintain silence in your dealings with others.

Your other weaknesses include a fascination with alcohol and physical pleasures. You will need to curb both to maintain good health and ensure a harmonious family atmosphere, especially since you will have an understanding spouse and children who will make you proud.

Regarding your health, there is no need for undue concern, as it will remain very good throughout most of your long life. However, since you have a highly sensitive stomach and nervous system, you must be on guard against diseases like typhoid, dysentery, and nervous breakdowns. Sticking to a balanced, vegetarian diet will prove beneficial.

You can certainly become wealthy and lead a life of comfort, but doing so requires sustained effort. You must maintain consistency of purpose instead of a wavering mind. Frequent changes in decisions due to a fickle mind will serve no purpose. You should first think deeply about your plan of action, arrive at a firm decision, and pursue it with determination.

In your eagerness to make quick money, you may feel inclined to invest in commercial ventures, as you possess a sound commercial instinct. It is better to ignore that temptation, as the returns on such investments may not be significant.

You have a wandering nature, which is why you change your residence frequently. Constant change is a key aspect of your character. This is why you often leave things half-finished and switch to something else. You must overcome this trait if you wish to rise high in life.

Prefer the numbers 2, 3, 5, 6, and 7, and avoid 1 and 8. Since blue, black, and red do not suit you, opt for yellow, white, green, and emerald colors. Your lucky days are Wednesday and Friday, whereas Saturday is average. The other four days are not very favorable, as they may prove expensive.
