Personality Analysis

At the time of your birth, the Libra Ascendant (Lagna) was rising along with Taurus Navamsa and Gemini Dreskana in the second Pad of Vishakha. This indicates you are a very clever and crafty person who will stop at nothing to amass wealth. Fortunately, you will be lucky enough to achieve your ambitions. The brightest periods of your life will be during your 21st, 28th, and 34th years.

As far as you are concerned, any means are justified to make money. You would not mind driving a wedge between two parties if it boosts your coffers. Also, you are very envious of others' property, which drives you to do everything in your power to surpass them.

You are undoubtedly very intelligent, with a bright appearance, and you know how to get ahead in life. However, your arrogance makes you behave rather crudely toward people, which they will not appreciate; hence, some of them may turn hostile, but your strong-willed character helps you crush the opposition, at least temporarily. Nevertheless, they will always harbor hatred toward you.

Therefore, you would do well to proceed cautiously and tactfully to ensure your projects move forward smoothly, rather than treading a difficult path. If you learn to behave with more patience and understanding, you stand to gain even more, as you will be able to build lasting friendships and increase your earnings.

Tact should be the key word for you, whether in business or at home. You will have to adopt a decent approach toward your spouse if you aspire to have a happy home. Not only will you express deep passion for your partner, but you will also be constantly on the lookout for new experiences to satisfy your romantic desires. It is entirely up to you to strike a balance to ensure an enjoyable home life.

The professions in which you can excel include international relations, travel agencies, business, and the stock market.

Due to your hectic and varied activities, you may find your health showing signs of deterioration in your older years, when it may be afflicted by conditions such as brain congestion or tumors. Therefore, keep a proper check on your diet and visit your doctor regularly.

The numbers that suit you in your pursuit of wealth are 1, 2, 4, and 7; the ones that do not suit you are 3, 5, 6, and 9.

Keep clear of green and yellow colors, as they are unfavorable for you. Instead, prefer red, orange, and white.

The lucky days for you are Friday and Saturday, whereas Wednesday is average. The other four days are not very favorable, as they may prove to be expensive.
