## Personality Analysis

You are a very fortunate individual, as at the time of your birth, the Libra Ascendant (Lagna) was rising along with the Capricorn Navamsa and Aquarius Dreskana in the second Pad of Swati, bestowing upon you a life of health, wealth, and pleasure.

You are destined to enjoy life to the fullest. In everything you do, you seek pleasure—whether in gaining knowledge, making a positive impression on others, earning money, keeping friends happy, or, most importantly, in conjugal bliss.

You will be devoted to your spouse, showering them with love and displaying your affection. You may also appreciate others who are exceptionally attractive and seductive, as you have a keen eye for beauty and are quite selective.

Whether it is your attire or your home furnishings, you desire only what is beautiful. You aim to decorate your home with the finest furniture, pieces of art, and rare objects, regardless of the cost. You can afford this lifestyle as you are wealthy; however, wealth will not come easily. You will earn it through intelligent planning and hard work. As an adventurous and learned person, you will amass significant assets, particularly between the ages of 30 and 35, which will be your most lucrative period.

You believe that fortune favors the brave, which is why you feel most comfortable in the company of courageous individuals. When choosing friends, you look for those who are bold. This approach allows you to perform your duties without a trace of fear.

Even while pursuing material success, you will not neglect the spiritual side of life. You will show an interest in religion and philosophy, studying them in your spare time. You will be known for your charitable nature and your willingness to assist your siblings and friends.

Your health will be excellent. However, you should still be cautious about potential issues such as urinary troubles, eczema, or boils. Take precautions by scheduling periodic medical check-ups and maintaining a routine of timely meals.

Your lucky days are Friday and Saturday, while Wednesday is average. The other four days are not very favorable and may prove to be expensive.

You will benefit if you favor the numbers 1, 2, 4, and 7, but you should avoid the numbers 3, 5, 6, and 9.

Since green and yellow do not suit you, it is best to avoid them. Instead, choose orange, red, and white, as they will be highly beneficial for you.
