# Personality Analysis

Cancer Ascendant ( Lagna ) rising with Scorpio Navamsa and Scorpio Dreskana in the fourth Pad of Pushya at the time of your birth indicates a bright and fruitful life, but there is need for some caution regarding health.

Usually, Cancerians have rather fragile health during young age which improves as they grow up. However, due to Scorpio Navamsa, one may run the risk of having a defective limb and suffering from some diseases. Better to be careful, right from the beginning, about digestion and the condition of the throat. One will also have to guard against rheumatism, sciatic and gastric ulcers. To maintain good health, control over dietary habits and abstention from liquor are recommended.

Acquisition of wealth is assured if you pursue your goals with determination and single-minded purpose, without wavering. Your lucky period begins from the age of 36. Since you exercise control over your desires and have the ability to do honest work, you can aspire to attain a position of trust like a minister or a top executive.

The professions ideal for you are those connected with water, like dams and canals, agriculture, shipping, etc.

You will be like a teacher or a prophet to people because of your learning and knowledge of religion and truthfulness. Highly devout, you will visit holy places and render charity. A quality that many people will admire in you is your honesty in business, as also in your dealings with the public in general.

Highly emotional, you will be very much attached to your family. You love your spouse deeply and will be ready for any sacrifice for the betterment of your family members. However, you will have to exercise control over your temper which is aroused in a flash. No doubt you will also cool down and regain equanimity in a very short time, but then your outbursts would have already caused some damage. So it is essential you check your nervous irritability by learning to relax and taking undisturbed rest.

You will have a lot of friends whose ranks will swell because of your travels. You desire for a lasting friendship with your well-wishers. You enjoy entertaining your friends to lavish parties at home.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.

The numbers which will prove lucky for you are 4 and 6. The unfavourable numbers are 3 and 5.

Among colours, keep off blue and green. Go in for red, yellow, white and cream which will prove fruitful.
