## Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

# ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

# Personality Analysis

## Mukul Chawla

The astrological configuration at the time of your birth was Pisces Ascendant (Lagna) rising with Aquarius Navamsa and Scorpio Dreskana in the third Pad of Revati. This shows you have a dual personality, in spite of which you will lead an enjoyable life of wealth and prosperity.

You are really cast in the mould of Pisces which is a dual sign. You do things which are incompatible. Like, for instance, while in your public dealings you put on the appearance of a brave, aggressive individual who brooks no nonsense, at home you are timid, possibly even henpecked. Or, for instance, while in your business or place of work you are considered a very honest person, you wouldn't mind stooping to the level of Hippocratic if it suits your purpose.

Yet, by and large, you will conduct yourself as a decent individual, dutiful to parents and respectful to religious leaders, generous and sympathetic to the feelings of others. You can earn a lot of money and enjoy life to the full. Your idea of enjoyment, however, is sex. Even while parading as a devoted partner, you may be tempted to have secret affairs with others, women which if not resisted, may mar your fine atmosphere at home. You have got to resist the urge to yield to temptations.

Also, you will have to be more practical-minded to succeed in life. As it is, you are given to day-dreaming, imagining all sorts of pleasant things, all of them far removed from reality. You must come down to earth and pursue your assignment with hard and dedicated work which is certain to prove beneficial to you.

You will also have to give up your trait of relying on others' promises, because more often than not the promises will only remain on paper. You should tackle your jobs on your own, without depending upon outside help.

A highly religious person, you are ideally placed to adopt a philosophical approach to things. As the basic idea of the Pisces sign is occultism and mysticism, you can learn about them and hope for the liberation of the soul, at least in some other birth if not in this one. Religion can easily be practiced along with attending to worldly matters if one has the will to do so.

Everyone is susceptible to some disease or the other. So are you. In your

Indian *Astrology*

later years you may encounter problems connected with the intestines and the ears. If advance precautions are taken, after consulting your doctor, you can at least mitigate the hardship, if not eliminate it all together.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.

The numbers you can count on are 1, 3, 4 and 9. The one which you must avoid is 8.

Never go in for blue. The colours best suited to you are red, rose, orange and green.

### Anisha Chugh

The configuration of Taurus Ascendant (Lagna) on the rise along with Capricorn Navamsa and Taurus Dreskana in the second Pad of Krittika at the time of your birth denotes that you are a happy-go-lucky chap desirous of enjoying worldly pleasures. In pursuit of that you won't resort to hasty actions, but plan your moves in a methodic way, taking your own time about them, as you believe in the dictum "Slow and steady wins the race".

You are fond of good food, you are, in fact, a glutton. Not only do you relish tasty dishes, you also believe in giving a good feed to others, expecting they will reciprocate it.

Also, you want an attractive partner whom you want to show off before your friends. Even though you are very much attached to your spouse, you have a questionable character. If you can manage a love affair on the sly, you will be happy. Yet, your family life will be very good because you take good care of your near and dear ones. You want a peaceful, enjoyable homely life.

But the thing you love most is money. You want to accumulate and hoard as much of it as you can. You never squander money, as you are a miser. You know the value of money, that is why you are not extravagant and go on saving throughout your life.

Having medium stature, you are somewhat plumpy with a thick neck and a broad forehead. You have a none too fair complexion. You will enjoy good health. But you will have to guard against throat infection and tonsils. As age advances, you are prone to suffer from constipation and plethora. So, curb your excessive appetite right from the beginning so that you maintain good health even

in later years.

Since Taureans want a peaceful, homely life, they would do well to look for a proper match from those belonging to Virgo, Capricorn, Cancer, Scorpio or Pisces.

There is a very large field from which you can choose your profession. It includes dealing in luxury goods, cinema, transport, shipping, exports, mine and building contracts, brick copper and steel, mechanical engineering or else you can try for a top administrative post in a big concern, take to acting in films, become a CID officer.

The lucky numbers which vibrate in your favour are 2 and 8, while you are attracted by 7 and 9. Numbers 1, 3 and 4 will prove passive for you, while the most disagreeable number is 5.

The lucky days for you are Friday, Saturday while Wednesday is fair enough. The other four days are not too favourable as they will prove expensive. Be cautious on Tuesday which may make you incur unnecessary expenses.

The colours best suited to you are white, green and pink. Avoid red.

# Physique, Health & Nature

## Mukul Chawla

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.

Saturn, stationed in the enemy's camp in the first house, promises you a very healthy, happy life. You will enjoy your earthly existence in the company of your spouse and children. You will emerge triumphant in most of your worldly pursuits, especially if you opt to go into business instead of taking up service. Yet, due to inexplicable reasons, you tend to worry over trifles and consequently spoil your health. There is another area an which you will have to proceed with much care. And that is, getting entangled in unnecessary conflicts which may result in your having to appear in court.

## Anisha Chugh

Born at a time when Taurus Ascendant was rising, you have a short/medium physique, with a well-developed body tending to be plump. Endowed with a clear complexion, your bright eyes below a prominent forehead give others a good impression. A thick neck, with dark hair on the head, throws you up as a well-fed individual, which you are. With an enchanting smile on your lips, the overall picture you present is that of a dependable person who takes life in its stride, without a worry in the world.

By and large, Taureans enjoy robust health, but they are up against a problem in that they have a very sensitive throat requiring constant attention, failing which they will suffer from throat infection, diphtheria or tonsils. Also, it is not uncommon for them to have toothache, pimples and eyesore. As they get old, they may be hit by diseases like apoplexy, plethora and constipation.

As Taurean's recuperative power is limited, they should, in the event of falling ill, make it a point to go to a doctor instead of being casual about it. They should not get impatient when it takes quite some time for them to get over an ailment.

By nature, you are a quiet, unassuming person who wants to lead a life of pleasure in the company of the opposite sex. But once you get married, you will be a domesticated individual, desirous of a harmonious, happy home. Slow, yet steady, you want to pursue your vocation with patience and perseverance, without getting entangled in controversies. But in the face of opposition, you become stubborn and refuse to compromise. Happy-go-lucky, you normally don't lose your temper, but when you do, you will stop at nothing to teach a lesson to the offending party. Taureans have the tendency to suffer from throat infections. They must at take precautions to prevent toothache, pimples or eye problems also.

# Family Life, Marriage & Business Partner

## Mukul Chawla

For you, born when the Virgo sign was in the seventh house, the predominant aim in life is romance all the way. Whether at home or at work, the one and only thought uppermost in your mind is love and sex. No doubt you can afford to pay the maximum attention to the romantic side of life, as you are not only endowed with an attractive personality, you also have adequate resources. Yet, being shrewd, you will keep money in reserve for your old age.

It goes to your credit that you pour your entire affection on your spouse and, more importantly, you convince your partner of it. Sincere and true, you will go all out to ensure a happy, harmonious home. You prefer a handsome spouse to an intelligent one. If you have a brainy partner, then your matrimonial ties may be under strain because of a quarrel in your nature. And that is your highly suspicious bent of mind. You are such a Doubting Thomas that you see ghosts in almost everything. You look upon with suspicion each and every move of your partner and go on imagining things. If you don't banish this trait from your system, you may spoil your own happiness. You have to have absolute faith in your mate and live happily.

As you have good business acumen, you may, if you prefer it, launch your own venture. This can be done as an independent project or in addition to your job. The professions that suit you are being an accountant, bank officer, dealing in cinema, and cosmetics or medicine.

However, so far as you are concerned, you will have to be prepared to go through a life of tension and worry due to the positioning of an unfriendly Mars in Virgo in the seventh house. Of rash temperament, you may indulge in quarrels with others, mostly your spouse. Consequently, there will be discords in the family. Even though you will derive material gains from your marriage, you will try to seek pleasure from members of the other sex which will add to your existing lot of troubles. There is only one way for you to manage your affairs for a smooth existence and that is to mend your character and behaviour.

## Anisha Chugh

The general trend is that those born at a time when Scorpio was in the seventh house are fortunate humans, blessed with an excellent spouse and an enjoyable home. A devoted husband and a loving wife, the couple will make an

Indian *Astrology*

ideal pair. This can be easily achieved if you marry a person born under the signs of Scorpio, Pisces, Virgo, Capricorn or Cancer.

Even though you are genuinely committed to the comfort, happiness and progress of your family, your spouse may have reservations about the sincerity of your affection. This is because, being an introvert, you don't publicly display your emotions. So, it is necessary for you to become an extrovert and openly express your affection time and again.

Desirous of enjoying a peaceful, pleasurable home, you will do all that is in your power to ensure it. You will not mind spending lavishly to see that all your family members are well dressed and appear decent and impressive in public.

Blessed with a harmonious domestic atmosphere, you will evince interest in the sweet things of life. That is why you will want to trade in scents, cosmetics, luxury goods and jewellery. But if you prefer service, then the professions that will suit you are those connected with finance, agriculture, music, pleasure resorts and ladies garments.

So far as you are concerned, you may not be lucky enough to enjoy the advantages of being a Scorpion. This could be either because you didn't do your homework properly before selecting your spouse or due to the location of Mars in Scorpio in the seventh house. You may be devoid of the comforts of a pleasant home, since you and your spouse may not move on an even keel. Naturally, this will create a lot of misunderstanding and will not bring happiness to either of you. It is possibly on account of this that your spouse may fall ill, necessitating hospitalization.

After a pretty rough time, you may turn the corner around your middle age, when the inflow of money will offset some of your domestic problems.
