Profession, Father, Status & Power

It would be better for a person born when the Libra sign was rising in the tenth house to take up service than having a fling at business. In keeping with this broad outline, the native can opt for a job from a wide range of suitable professions. The list includes teaching, engineering, dealing in scientific instruments agricultural and mine products. One can also shine brightly as head of a religious institution, writer, musician, playback singer, architect or salesman.

As you are a native of power and authority, it will be in your interest not to behave arrogantly with your superiors but toe a mellowed line. Otherwise, they will try to manipulate things in such a way that your service record is tarnished and your progress blocked. If you conduct yourself modestly with government officials, they will extend their co-operation and assistance to you, which will be beneficial.

You are lucky to have a good father who will be gentle and affectionate towards you. Endowed with an artistic bent of mind, he will evince a keen interest in the finer things of life and be a popular figure.

Mars in Libra in the tenth house denotes an encouraging trend, but it will be entirely up to you to take advantage of it. You will have a good social standing and among your friends will be persons in authority in government. The point is you will have to make proper use of your influential contacts to progress in life. If you go about it properly, you can aspire to become an industrialist of some standing. But in its wake it is likely to increase the number of your enemies. You will have to tackle it adroitly.

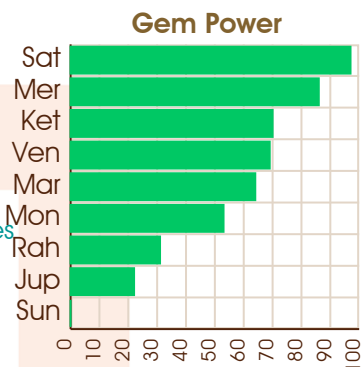

You are an individual who wants cordial relations with everyone, but somehow others don't appreciate this. That is perhaps the reason why you may not be lucky to have a proper understanding with your father.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. For those who secure 50-75% marks, it is suggested to wear gems in dasha of friendly planet or it is required to enhance the requisite area of concern. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. After April, time period is turning more favorable. Then you start a new business in association with someone and you could have good gains from that business. If you are trading in share market, there are indications for expected gains this year.

Prediction For January 2024

The augury from the stars is hardly favourable for your career prospects. This month your association with learned people of spiritual stature will not bring the usual benefits. This would not only create a sense of dissatisfaction but also create uncertainty that could well snowball into major concerns.

There would be a lot of hard work and the returns nowhere near commensurate with the effort put in. This would add to the difficulties. The redeeming feature of this period would be the inclination of most of you to lead a principal life, and not deviate for the sake of convenience.

Prediction For February 2024

Nothing particularly helpful in the stars this month in so far as your career prospects are concerned. The work-load would be quite heavy and you might find yourself working quite hard for relatively meagre returns. The company of learned people may also fail to bring the expected gains.

Travel also would not be on any significant scale, even this would prove quite fruitless, though there may be some marginal percentage for you in a sojourn towards the east. There is, however, the satisfaction that even in the face of adversity you would tend to lead a principal life, not deviating from your path because of exigencies of the moment.

Prediction For March 2024

Nothing particularly favourable about the augury from the stars in so far as your career prospects are concerned. The work-load would tend to be quite heavy, and you may well find yourself working hard for relatively meagre returns. Satisfaction, may also be elusive, with the company of learned people not enriching your life in the expected manner.

Some travel is also indicated, but this also is unlikely to bear much fruit, though there is some chance of gains, at best of a marginal sort, from sojourn towards the south. Overall, not a very favourable period for you, during which you would have to patiently carry on.

Prediction For April 2024

Nothing very encouraging about your professional prospects as far as the augury from the stars is concerned. Influences that would normally have enriched your entire working life, would somehow fail to work their magic. And, instead, you would be left with a feeling of dissatisfaction with your lot.

And there would be good reason for dissatisfaction. You would have to work quite hard, and the gains would be nowhere near commensurate with the effort put in. The situation would be further complicated because influences and contacts would fail to deliver the goods. The redeeming feature of the entire scene would be the indication of most of you to live a principal life, from which you would not deviate for the sake of convenience.

Prediction For May 2024

The prospects for your professional advancement are not very encouraging this month, since the configuration of stars facing you is not very favourable. There would be a lot of hard work, with returns nowhere near commensurate to the effort put in. This imbalance would be apparent in virtually every area of professional activity.

For instance contacts and influential friends would not be able to deliver the goods, something you may be in the habit of taking for granted. Travel also is indicated though of a moderate quantum. This, too, would prove quite unfruitful, though there might be some marginal gain through a sojourn towards the north. Exercise patience and persevere with your duties, till the unfavourable period is over.

Prediction For June 2024

A month that has little of an encouraging nature for your professional prospects, since the stars are not in an obliging mood. You would work quite hard and display a certain sense of dynamism, and yet the anticipated gains would still evade realization. Further, the satisfaction which comes from association with learned people, would be missing for some reason.

This would be an effect that would create an adverse influence upon your whole approach to work in particular and life in general. There would be some travel, but this too would not be fruitful. There are some grounds to believe, however, that a sojourn towards the east may bring some marginal gains.

Prediction For July 2024

An excellent month, during which the stars are in an obliging mood, as a result of which your professional prospects are quite bright. There is a distinct possibility that some member of the female sex would do you an extremely favourable turn, which could well become a turning point in your career, for the good of course.

Further, there would be extremely beneficial associations with gifted people of learning which would qualitatively enrich your whole working and life styles. Not only materially beneficial but also deeply satisfying otherwise. There would also be a small quantity of travel, which also would prove extremely, the most advantageous direction being south.

Prediction For August 2024

Nothing very encouraging in the augury from the stars in so far as your professional advancement is concerned. Despite a lot of hard work it may not be possible for you to realize your anticipated gains. Association with learned people would not produce the desired and usual enrichment of life.

In fact, this would be one of the causes of dissatisfaction that would set in during this period. Contacts and influential friends would also not be very helpful. This could well mean a good deal of valuable work remaining unfinished. The redeeming feature of the month, would be the inclination among most of you to lead a principled life, and not deviate because of convenience.

Prediction For September 2024

Encouraging signs are quite difficult to detect in the combination of stars facing you this month, as far as your professional prospects are concerned. There is a distinct chance that some of you would act outside the law for quick profits. Should this happen, only disaster can follow. This month there would be few influences or none at all, which could mitigate the circumstances. You must, therefore, resolve to refrain from such acts.

This month the association with learned people, normally so beneficial for you, would not bear the same fruitful results. This is still more reason for greater care. Travel also will not be helpful, though a sojourn north could be marginally beneficial.

Prediction For October 2024

The stars are not in an obliging mood and therefore the prospects for your career are not very bright. Association with gifted people of learning would fail to produce the normally beneficial results this month. The same would be true of the little quantity of travel that is indicated, though there might be some marginal percentage for you in a sojourn Eastwards.

The redeeming feature of the period could be the inclination among most of you to lead a principled life and not deviate for the sake of convenience or quick gains. This would be a wise policy.

Prediction For November 2024

This month the stars are not in an encouraging mood and therefore, the prospects for your career are none too bright. The association with gifted people of learning and spiritual stature would fail to bring about the normal pleasant reward. There would be a lot of hard work. But gains would somehow evade you. Further, there is the likelihood of being influenced by a feeling of insecurity.

This would also create a situation where there is mental instability. Some travel is also indicated, but this, too, would bear no fruit. Though there is some chance of marginal gain through a sojourn south. All told, a difficult month during which patience would be the most helpful virtue.

Prediction For December 2024

The signs from the stars are not very encouraging for your professional prospects. You could well find yourself slogging away at work, with the rewards being nowhere near commensurate with the effort put in, working conditions, too, could be less than desirable. Most important, your association with people of learning would not bear the usual kind of fruit.

This would naturally make for dissatisfaction at your lot. Travel also will not bear fruit, though a journey Westwards may bring some marginal advantages. All told, a month during which there will be little for you to do except to patiently persevere with your work.
