Physique, Health & Nature

Born at a time when Taurus Ascendant was rising, you have a short/medium physique, with a well-developed body tending to be plump. Endowed with a clear complexion, your bright eyes below a prominent forehead give others a good impression. A thick neck, with dark hair on the head, throws you up as a well-fed individual, which you are. With an enchanting smile on your lips, the overall picture you present is that of a dependable person who takes life in its stride, without a worry in the world.

By and large, Taureans enjoy robust health, but they are up against a problem in that they have a very sensitive throat requiring constant attention, failing which they will suffer from throat infection, diphtheria or tonsils. Also, it is not uncommon for them to have toothache, pimples and eyesore. As they get old, they may be hit by diseases like apoplexy, plethora and constipation.

As Taurean's recuperative power is limited, they should, in the event of falling ill, make it a point to go to a doctor instead of being casual about it. They should not get impatient when it takes quite some time for them to get over an ailment.

By nature, you are a quiet, unassuming person who wants to lead a life of pleasure in the company of the opposite sex. But once you get married, you will be a domesticated individual, desirous of a harmonious, happy home. Slow, yet steady, you want to pursue your vocation with patience and perseverance, without getting entangled in controversies. But in the face of opposition, you become stubborn and refuse to compromise. Happy-go-lucky, you normally don't lose your temper, but when you do, you will stop at nothing to teach a lesson to the offending party. Taureans have the tendency to suffer from throat infections. They must at take precautions to prevent toothache, pimples or eye problems also.

With Mars in Taurus being strong and in the enemy's camp, you will have to be pretty careful regarding your health. You should be having a mark or scar on the head or face or any other part of the body because of an old injury. You have got to give up a rash approach, failing which sustaining accidents is not ruled out. General health too requires attention, as you may run the risk of having high blood pressure and heart ailments. Your spouse also may turn out to be rather sickly.

Driven by an urge to consume liquor, you may try to satisfy your lust by novel methods much to the annoyance of your partner. If you don't proceed with caution on all fronts, including the domestic sphere, you will have a rough time. As

it is, your birth chart indicates the possibility of encountering threats from enemies.
