## Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

# ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Almost everything is lined up in your favour. It is up to you to make positive use of it and make a success of life by attending to the job on hand promptly and with dedication. This aspect needs to be stressed as you attach much too much importance to sex. If you are not cautious, sex may land you in a fix. You have got to suppress the urge to paint the town red as that will not only upset your family balance, it will also make you lethargic, in which event your work will suffer.

But, if you lay off this temptation, then you can make very good progress. You can amass wealth, which will consist not only of your own earnings but also acquired property. You have the ability to crush your enemies if they try to throw a spanner in your works.

Not only can you have a blissful home, you can also collect good circle of friends, as you will be a member of social clubs. Courteous and hospitable, you will be popular with your friend. But here you may encounter a problem. You are a person who pins abundant faith in others' promises and expects positive results. When the friends keep their promise, well and good. But what if they go back on them ? This is exactly what will happen as some, who are close to you, will let you down in times of your need. Hence over reliance on others should be avoided.

If you toe a sober path, your own family members, as also the general public, will admire you for your qualities of generosity and charitable disposition.

Religious minded, you will visit holy places and as age advances, you will become pious and evince interest in philosophy and the occult sciences. You will acquire so much knowledge about these subjects that you can be, if you so choose, a mini preacher.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good. You can pin your faith on numbers 1, 3, 4 and 9 but under any circumstance not on 8.

Yellow, red, rose and orange favour you, but the colour that doesn't fit with your make-up is blue.

## MADHUMANTI MAITI

Well read and possessing independent views, you are certainly capable of hard and dedicated work to achieve your goals. You will have to make proper use of your excellent faculties to emerge on top.

Though given to talking rather harshly, you are an honest, truthful person who doesn't want to harm others. But, if provoked, you have the ability to strike back at your enemies with tremendous force and crush them.

You will not only be financially well off, you can also enjoy positions of power and influence. The most significant year in your lifespan will be when your age will be 28. That year you can expect a turn for the better in all your pursuits.

A person of meditative nature, you enjoy solitude. God-fearing and religious minded, you will evince keen interest in philosophy and the occult sciences. Therefore, the professions that will go well with you are astronomy, astrology, occult sciences, statistics and air travel business.

By and large, your health will be all right, but the diseases that may affect you in your old age are heart trouble, blood pressure and rheumatism. Also, be careful in your movements, as in the event of even a minor accident, you may sustain fractures which could ultimately lead to amputation.

You will have a quiet and pleasant home. You will make earnest efforts to maintain it that way. You will be fortunate to have an understanding spouse and lively children.

Pin your faith on numbers 2, 3, 7 and 9 as they favour you. Those you should avoid are 1, 4, 5 and 8.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. # Family Life, Marriage & Business Partner

## SOUMADIPTA JASH

For you, born when the Virgo sign was in the seventh house, the predominant aim in life is romance all the way. Whether at home or at work, the one and only thought uppermost in your mind is love and sex. No doubt you can afford to pay the maximum attention to the romantic side of life, as you are not only endowed with an attractive personality, you also have adequate resources. Yet, being shrewd, you will keep money in reserve for your old age.

It goes to your credit that you pour your entire affection on your spouse and, more importantly, you convince your partner of it. Sincere and true, you will go all out to ensure a happy, harmonious home. You prefer a handsome spouse to an intelligent one. If you have a brainy partner, then your matrimonial ties may be under strain because of a quarrel in your nature. And that is your highly suspicious bent of mind. You are such a Doubting Thomas that you see ghosts in almost everything. You look upon with suspicion each and every move of your partner and go on imagining things. If you don't banish this trait from your system, you may spoil your own happiness. You have to have absolute faith in your mate and live happily.

As you have good business acumen, you may, if you prefer it, launch your own venture. This can be done as an independent project or in addition to your job. The professions that suit you are being an accountant, bank officer, dealing in cinema, and cosmetics or medicine.

## MADHUMANTI MAITI

Born when the Leo sign was in the seventh house, you make it appear as though you are more devoted to your work than to your family. This is not a correct picture, as you are an individual with very strong attachment to your family. You love your partner and the children, and want to have a harmonious, happy home. But since you are not an extrovert, your people are not aware of your deep emotions towards them. In addition, off and on you go into a shell at home, deeply engrossed in studying material connected with your professional pursuits. This makes a wrong impression on your kith and kin who feel you are neglecting them. To erase this image, you will have to spare more time for your family on the one hand and on the other mix with them freely without being rigid.

You prefer a spouse who is educated, intelligent, law abiding and sincere.

You attach more importance to these qualities than looks. Being a person who takes extreme views on matters, you may go to the extent of snapping ties with your spouse if you find the latter not up to the mark. Hence, better take your time in selecting a partner who will measure up to your expectations instead of being in a hurry. If you pick a mate from the Libra or Gemini signs, then you will get a proper match.

For a person of your bent of mind, the professions advocated are being a lecturer, astrologer, mine contractor or trader in chemicals.
