## Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

# Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. It is said to be under 'Dhaiya' effect when Saturn transits over the 4th or 8th house over the Natal Moon. The effect of Sade-Sati remains for seven & a half year and that of Dhaiya remains for two and a half year. This generally affects health, mental peace & finance.

## SOUMADIPTA JASH

A life of fun and frolic, mirth and wealth is on the cards for you as per the astrological configuration of Pisces Ascendant (Lagna) with Virgo Navamsa and Pisces Dreskana in the second Pad of Uttara Bhadrapada at the time of your birth.

Almost everything is lined up in your favour. It is up to you to make positive use of it and make a success of life by attending to the job on hand promptly and with dedication. This aspect needs to be stressed as you attach much too much importance to sex. If you are not cautious, sex may land you in a fix. You have got to suppress the urge to paint the town red as that will not only upset your family balance, it will also make you lethargic, in which event your work will suffer.

But, if you lay off this temptation, then you can make very good progress. You can amass wealth, which will consist not only of your own earnings but also acquired property. You have the ability to crush your enemies if they try to throw a spanner in your works.

Not only can you have a blissful home, you can also collect good circle of friends, as you will be a member of social clubs. Courteous and hospitable, you will be popular with your friend. But here you may encounter a problem. You are a person who pins abundant faith in others' promises and expects positive results. When the friends keep their promise, well and good. But what if they go back on them ? This is exactly what will happen as some, who are close to you, will let you down in times of your need. Hence over reliance on others should be avoided.

If you toe a sober path, your own family members, as also the general public, will admire you for your qualities of generosity and charitable disposition.

Religious minded, you will visit holy places and as age advances, you will become pious and evince interest in philosophy and the occult sciences. You will acquire so much knowledge about these subjects that you can be, if you so choose, a mini preacher.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good You can pin your faith on numbers 1, 3, 4 and 9 but under any circumstance not on 8.

Yellow, red, rose and orange favour you, but the colour that doesn't fit with your make-up is blue.

## MADHUMANTI MAITI

The configuration of Aquarius Ascendant (Lagna) with Sagittarius Navamsa and Aquarius Dreskana in the first Pad of Satbhisha at the time of your birth shows you can enjoy a life of wealth and happiness, provided you don't get lethargic but attend to your work promptly.

Well read and possessing independent views, you are certainly capable of hard and dedicated work to achieve your goals. You will have to make proper use of your excellent faculties to emerge on top.

Though given to talking rather harshly, you are an honest, truthful person who doesn't want to harm others. But, if provoked, you have the ability to strike back at your enemies with tremendous force and crush them.

You will not only be financially well off, you can also enjoy positions of power and influence. The most significant year in your lifespan will be when your age will be 28. That year you can expect a turn for the better in all your pursuits.

A person of meditative nature, you enjoy solitude. God-fearing and religious minded, you will evince keen interest in philosophy and the occult sciences. Therefore, the professions that will go well with you are astronomy, astrology, occult sciences, statistics and air travel business.

By and large, your health will be all right, but the diseases that may affect you in your old age are heart trouble, blood pressure and rheumatism. Also, be careful in your movements, as in the event of even a minor accident, you may sustain fractures which could ultimately lead to amputation.

You will have a quiet and pleasant home. You will make earnest efforts to maintain it that way. You will be fortunate to have an understanding spouse and lively children.

Pin your faith on numbers 2, 3, 7 and 9 as they favour you. Those you should avoid are 1, 4, 5 and 8.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

Eschew orange, green and blue colours which are inimical to you. Go in for white, cream, red and yellow which will be beneficial.

## चैलेपुनमए भ्रंसजी - छंजनतम

### SOUMADIPTA JASH

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.

### MADHUMANTI MAITI

Those born under the Aquarius sign are generally handsome with a pleasant disposition. They will be tall, with an athletic figure. Having a good, clear complexion, their oval face shows thick lips and broad cheeks. If they don't resort to walking upright, they may, in later years, become mini-hunchbacked.

As an Aquarian, you will be susceptible to infectious diseases; hence you should neither overwork nor overtax yourself mentally, but learn to relax and take

adequate rest. There can be heart trouble and blood pressure also. The other problems you may have to face include those concerning the throat, teeth, eyes, ears and swelling in the feet. It would be in your own interest that in the event of even a minor ailment, you don't drag your feet but immediately consult a doctor and get cured. Delay may result in complications.

By nature you are shy, even timid, but if and when provoked beyond endurance you charge like a bull. Your peevish trait makes you display your talents only before selected friends. This is in spite of the fact that you are knowledgeable, having a literary bent of mind. You can become a renowned writer or teacher. You have the raw material required for that, as you are intelligent, have a good memory and assess facts competently. Plus, you have a probing mind because of which you evince interest in astrology, physics, etc. It is this interest in scientific subjects that accounts for your spending less time at home. And then, you are not too passionate a lover which may cause friction between you and your spouse. In the event of serious differences you may even think of just walking out on your family. So try and play it cool by striking a balance between your professional pursuits and family matters.

Saturn in Aquarius Ascendant will favour you with good health, but it will be up to you to maintain it properly. Driven by the urge for sex, you may have affairs with the members of the opposite sex and also take to liquor. If you don't check these, you may find your health deteriorating rapidly, necessitating hospitalization.

Another way by which you may invite trouble is through your varying moods. You will suddenly become morose and crestfallen, suffering in secret, without letting others know what exactly is bugging you. Better start mending your negative straits straightaway. The latter part of your life will be better than the first half.

# Family Life, Marriage & Business Partner

## SOUMADIPTA JASH

For you, born when the Virgo sign was in the seventh house, the predominant aim in life is romance all the way. Whether at home or at work, the one and only thought uppermost in your mind is love and sex. No doubt you can afford to pay the maximum attention to the romantic side of life, as you are not only endowed with an attractive personality, you also have adequate resources. Yet, being shrewd, you will keep money in reserve for your old age.

It goes to your credit that you pour your entire affection on your spouse and, more importantly, you convince your partner of it. Sincere and true, you will go all out to ensure a happy, harmonious home. You prefer a handsome spouse to an intelligent one. If you have a brainy partner, then your matrimonial ties may be under strain because of a quarrel in your nature. And that is your highly suspicious bent of mind. You are such a Doubting Thomas that you see ghosts in almost everything. You look upon with suspicion each and every move of your partner and go on imagining things. If you don't banish this trait from your system, you may spoil your own happiness. You have to have absolute faith in your mate and live happily.

As you have good business acumen, you may, if you prefer it, launch your own venture. This can be done as an independent project or in addition to your job. The professions that suit you are being an accountant, bank officer, dealing in cinema, and cosmetics or medicine.

## MADHUMANTI MAITI

Born when the Leo sign was in the seventh house, you make it appear as though you are more devoted to your work than to your family. This is not a correct picture, as you are an individual with very strong attachment to your family. You love your partner and the children, and want to have a harmonious, happy home. But since you are not an extrovert, your people are not aware of your deep emotions towards them. In addition, off and on you go into a shell at home, deeply engrossed in studying material connected with your professional pursuits. This makes a wrong impression on your kith and kin who feel you are neglecting them. To erase this image, you will have to spare more time for your family on the one hand and on the other mix with them freely without being rigid.

You prefer a spouse who is educated, intelligent, law abiding and sincere.

You attach more importance to these qualities than looks. Being a person who takes extreme views on matters, you may go to the extent of snapping ties with your spouse if you find the latter not up to the mark. Hence, better take your time in selecting a partner who will measure up to your expectations instead of being in a hurry. If you pick a mate from the Libra or Gemini signs, then you will get a proper match.

For a person of your bent of mind, the professions advocated are being a lecturer, astrologer, mine contractor or trader in chemicals.

There are quite a few profession suited to the temperament and genius of those born when the Sagittarius sign was rising in the tenth house. So the native would do well to select one from among them to prosper in life.

The best of the lot are banking and accountancy. Among the others are being an administrative or liaison officer in government or a public sector corporation, or becoming a lecturer. If the native is inclined to enter into business, then it would be advisable to deal in oils, soft drinks, beverages, chemicals, medical equipment or cosmetics.

But keep clear of politics, of any kind. If not, you may invite trouble. This aspect needs to be stressed, as there are hints that you may take an active part in office politics which will not bring beneficial results, but actually retard your progress.

In the event of finding yourself in the midst of a controversy, avoid getting into litigation, as it will be counterproductive.

You are lucky to have a good father whose qualities are worthy of emulation. He is free, frank and fearless, and goes about his work in a planned manner. He is also sympathetic to others feelings and will be generous and charitable.

In your case, however, Rahu, stationed in Sagittarius in the tenth house, won't give you peace of mind. You may have to go through a life of struggle and strife right through. Possessing good knowledge of your subject, you will try to put it to practical use, but others are likely to block your progress. But you have the mettle to crush your enemies. Be careful about your so-called friends who may try to involve you in police cases.

You can resolve most of your problems if you follow your father's advice, instead of being headstrong.

## MADHUMANTI MAITI

The general pattern indicated for those born when the Scorpio sign was rising in the tenth house is that they can make a success of any job they undertake, because they are clear-headed and tackle issues calmly and efficiently.

To ensure that this materialises, one had better select one's profession after a thorough study. The occupations from which the native would do well to choose include becoming a scientist, executive officer in government or the private sector, financial or education adviser, lecturer, advocate and astrologer. Whether in service or in business, you can expect financial support from the government. So don't yield to the temptation of pursuing politics, though you can take an interest in it.

A good trait in you is that you will always be obedient to your father who is a person of admirable qualities. Independent spirited, he is not one to play second fiddle to anyone. He will lead a decent life since he is lucky in most respects. In financial matters too he is fortunate and will earn a substantial amount, part of which he will earmark for you.
