Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. It is said to be under 'Dhaiya' effect when Saturn transits over the 4th or 8th house over the Natal Moon. The effect of Sade-Sati remains for seven & a half year and that of Dhaiya remains for two and a half year. This generally affects health, mental peace & finance.

Generally Sade-Sati comes thrice in a horoscope in the life time - first in childhood, second in youth & third in old-age. First Sade-Sati has effect on education & parents. Personality Analysis

Mr.Iuv Bansal

At the time of your birth, the astrological configuration was Aquarius Ascendant (Lagna) on the rise with Taurus Navamsa and Libra Dreskana in the second Pad of Poorva Bhadrapada. This denotes that if you make an honest approach to life, you can rise to become a very good human being, enjoyable wealth, pleasure and prosperity.

You can emerge as a decent individual, even a leader, who, apart from being honest, can be helpful to others by being liberal, and magnanimous.

You can afford to be magnanimous as you can amass riches. You are not only intelligent, you are also aware of the tricks of the money making trade. Endowed with the ability to analyse and assess clearly any issue, you can put to profitable use of your intuitive power to gain beneficial results.

To get the best out of your qualities, you would do well to take to professions like tourism, public companies, medicine, law, astrology, philosophy or literature.

Normally a good mixer, off and on you tend to go into a shell, preferring solitude. On those occasions when you appear to be reserved, your friends and business associates find it difficult to deal with you. It is essential you get over this trait. But at all other times you are a talkative person who impresses others with scintillating humor and sarcasm. You will have a large circle of friends with whom you will have good relations. Only sometimes you bungle, relying on some friends who turn out to be undependable. Study the back-ground of people before you forge close ties with them.

As you are a person who is easily influenced by the opposite sex, you will have to make sure of getting a partner in life. For Aquarians, the ideal match will be from those born under the Gemini or Libra signs.

Once a harmonious matrimonial tie-up is ensured, you can have a pleasant homely life, with lively children who may even exceed your expectations by achieving name and fame. You can also have a well-furnished house, as you are social and like to invite your friends for a get-together off and on.

Health will be fairly good, but better to take preventive steps against some possible diseases which may affect you in later years. The ailments that may

threaten you are palpitation of the heart, intestinal problems and hernia.

Numbers 2, 3, 7 and 9 are favourable to you. The unfavourable ones are 1, 4, 5 and 8.

Rely on white, red, yellow and cream colours, avoiding orange, green and blue.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

Ms.Alisha kumar I'm

At the time of your birth Virgo Ascendant (Lagna) was rising with Leo Navamsa and Taurus Dreskana in the first Pad of Chitra, holding out promise of a delightful life of plenty and pleasure, especially between the ages of 33 and 38 when your luck will be at its zenith.

You will doubly enjoy life as you have a high sense of humour, coupled with the capacity for biting sarcasm. You are a practical person, going about his job with courage and enterprise, having a clear vision of the goal you want to reach. Working with a lot of energy and a spirit of adventure, you will undoubtedly achieve your ambition, but the point is in spite of high income your savings will not be much. Why ? Because you are fond of everything that is good in life. You want to dress well, you want to satisfy your refined tastes and generally have a good time.

Having a religious bent of mind, you will evince much interest in astrology and the occult sciences. You will visit holy places and render social and charitable services. You will treat with kindness and consideration those who seek your help.

So far as you are concerned, any profession is as good as any other. But you can shine even more brightly if you opt to become a lawyer or a scientist or an engineer or a surgeon. In business you can fare well if you take up civil contracts or deal in sports goods, radio, television, jewellery or automobile spare parts.

With your stout physical structure and attractive eyes, you will make a tremendous impression on one and all. Drawn towards you, many of them will become your close associates, thus further enhancing your prospects in life.

Deriving a lot of comfort from your spouse and children, you will have a peaceful, happy home. Despite your tight schedule of work, you will find enough

time to spare for your family, for whose sake you will do everything to keep them satisfied.

Your health will no doubt be very good, but there is a hint that in later years you may suffer from kidney and bladder troubles and experience urine difficulty. This threat can be met if you take preventive steps well in time.

The lucky days for you are Wednesday and Friday whereas Saturday day is average. The other four days are not too favourable as they will prove expensive. The numbers that are extremely favourable to you are 2, 3, 5, 6 and 7. Make sure to keep clear of 1 and 8.

For the newly born baby, the Kartika month, Pratipada Shasthi, Ekadashi, 1,6,11 tithi of Shukla and Krishna Paksha, Magha Constellation, Viskamba Yoga, Bava Karan and Monday morning will prove to be the malefic period.

It is advisable not to start any new work between fifteenth October and

fourteenth November 1,6,11 tithi of Shukla and Krishna Paksha and when Moon is situated in the Aries sign. Magha Constellation, Viskamba Yoga and Sunday morning should also be avoided for starting any new and important work. During these days the child should be given extra care.

Even when this boy grows up he might face mental tensions due to failure in business or other reasons. At such times he should worship his favourite God Hanumanji and donate gold, copper, wheat, gur, ghee, red cloth and red flower (kaner). Alongwith this mantras for Mars should be recited for seven thousand times by a learned brahmin. This will minimize the adverse effects and provide him with mental peace.

चिलेपुनमए भ्मंसजी - छंजनतम

Mr.Iuv Bansal

Those born under the Aquarius sign are generally handsome with a pleasant disposition. They will be tall, with an athletic figure. Having a good, clear complexion, their oval face shows thick lips and broad cheeks. If they don't resort to walking upright, they may, in later years, become mini-hunchbacked.

As an Aquarian, you will be susceptible to infectious diseases; hence you should neither overwork nor overtax yourself mentally, but learn to relax and take adequate rest. There can be heart trouble and blood pressure also. The other problems you may have to face include those concerning the throat, teeth, eyes, ears and swelling in the feet. It would be in your own interest that in the event of even a minor ailment, you don't drag your feet but immediately consult a doctor and get cured. Delay may result in complications.

By nature you are shy, even timid, but if and when provoked beyond endurance you charge like a bull. Your peevish trait makes you display your talents only before selected friends. This is in spite of the fact that you are knowledgeable, having a literary bent of mind. You can become a renowned writer or teacher. You have the raw material required for that, as you are intelligent, have a good memory and assess facts competently. Plus, you have a probing mind because of which you evince interest in astrology, physics, etc. It is this interest in scientific subjects that accounts for your spending less time at home. And then, you are not too passionate a lover which may cause friction between you and your spouse. In the event of serious differences you may even think of just walking out on your family. So try and play it cool by striking a balance between your professional pursuits and family matters.

Ms.Alisha kumar I'm

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advise of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

Finance, Family, Eyes & Speech

Mr.Iuv Bansal

At the time of your birth, Pisces sign was rising in the 2nd house. Jupiter, being the lord of this sign indicates that you are philosophical, dreamy and out spoken. You are mostly sweet tempered and socially inclined. You are polite even in your first meeting with a stranger. The expression of your thoughts will be modified and even change completely depending upon the audience. You lack self confidence and as a result cannot convince others confidently.

You can change your views regarding your family matters at any time. You love your family, even then, you will face disturbance and disharmony in family. You will enjoy good food, you dislike a poor diet. You like both sweets and namkins, of good quality. Your food taste is different from others.

Guard against eye sores and eye trouble. You may lose your vision. Poor eyesight will be a problem for you. You like costly ornaments, property, precious gems and metals and will keep them with you. You like gardening and horticulture. You love scenery and natural beauty. You will take part in various auspicious ceremonies.

Ms.Alisha kumar I'm

At the time of your birth, Libra sign was rising in the 2nd house. Venus, the lord of this sign, indicates that you will lead a happy and harmonious family life. Your planning is often on correct lines. You will be well-to-do. You have courage of conviction and the ability to convince.

You are soft spoken, yet firm and authoritative. Some eye problems, in later life, are indicated. You love the performance of auspicious ceremonies. You will inherit some property or build wealth by your own efforts to make yourself and your family happy.

Education, Mother, Conveyence & Property

Mr.Iuv Bansal

The broad pattern denoted by the Taurus sign residing in the fourth house at the time of one's birth is that the native will be blessed with an excellent mother who will strain every nerve for the welfare of her husband and the children. But she will feel slightly hurt, though she doesn't show it, thinking her spouse doesn't love her earnestly. The fear is misplaced, since the husband, being an introvert, feels shy of displaying his emotions publicly. While young, you will grumble that your mother is very harsh and strict, but as you grow up you will thankfully acknowledge that had it not been for her sternness you wouldn't have been academically well qualified. You are likely to gain so much knowledge from higher education that you may even become a writer. It is not improbable that you may come to be recognized as almost a scholar in your field.

There are bright chances of your owning a lovely house equipped with modern gadgets. Interested in horticulture, you will try to raise a garden and lawn in your compound.

You may also study something about occultism, palmistry and astrology. Influenced by them, you may approach a saint to help you unearth some hidden treasure. Whether or not you will be successful only you will know, isn't it ?

With Mars in Taurus in the fourth house, you can look forward to both material comforts and mental peace. Through your parents you can not only hope to acquire property, you can also expect to gain public recognition. In your old age you will record impressive achievements and lead an even more comfortable life. Your home will be a nest of peace, but be careful not to disturb it by taking to alcohol.

Ms.Alisha kumar I'm

At the time of your birth, the Sagittarius sign was rising in the fourth house. The general trend indicated by this is that you will be brought up in a typical Indian home, in which the mother dutifully plays her conventional role. She will be an obedient wife to her husband, not interfering in his affairs, but advising him only when the occasion warrants it. And she will be a loving mother to the children, sparing no effort to provide them with the atmosphere required for achieving high academic qualifications. On your part, you will live up to her expectations, scoring

a top degree in literature, science, accounts, mathematics or statistics. You may also gain some knowledge about the occult sciences, thereby possessing some power of intuition.

It is probable you will get a share of the ancestral property. Your idea of making good use of it is to construct a big house so that you can accommodate guests also. You are particular in decorating your home luxuriously to make a good impression on others.

As you are a show-off, you would want to own a vehicle in keeping with your status. And since you are likely to be well placed in your profession, you may as well go in for a sleek automobile.

You are aware that drinking and smoking may, at least in later years, affect one's heart and cause one to suffer from asthma. Yet, if you cultivate those habits, you will have only yourself to blame.

But, you will have to display tremendous will power and courage to thwart the ill-effects threatened by the location of an unfriendly Rahu in Sagittarius in the fourth house. Separated from a sickly mother, who may not be favourable disposed towards you, it will be better if you quit your native place for good, as the situation there will be rather hostile to you. Having a none too happy home may make you desperate to achieve success in the world by fair means if possible, by foul methods otherwise.

Love Life, Children & Intellect

Mr.Iuv Bansal

At the time of your birth, Gemini sign was rising in the 5th house. Mercury, being the lord of this house indicates that you are intelligent, talented and wise. You will complete your education in the normal course. Gemini confers sharp intelligence, adaptability and success on you.

But Gemini also has the dual effect of making you feel that variety is the spice of life. You seek pleasure through romance and allied adventures. Your marital life will be happy and exciting because of intellectual and emotional capability of your life partner.

You may have problems with taxes. So, you should keep your accounts in order. You are inclined to follow traditional customs, inspite of your modern education. you will also take interest in occultism and vedic knowledge, if you get the time for these. You should take a balanced diet so as to avoid stomach problems.

Ms.Alisha kumar I'm

At the time of your birth, Capricorn sign was rising in the 5th house. Saturn being the lord of this sign indicates that you are intelligent, tactful, diplomatic and clever. You will achieve higher education. You will take interest in vedic knowledge, occultism and would like to follow traditional customs.

You do not want many children. Yet, you will become the parent of a large family. You never fail to do your duty. You love your spouse and children, but do not display your love. So the spouse and children may mistake that as being cold towards them.

You were born in Capricorn sign in the 5th house. As years pass by, your spouse and children will realize that inwardly you have strong affection for them, though you do not give expression to it. You will enjoy comforts and happiness through children. They will get higher education. Unfortunately, abortion or loss of a child is also indicated. You are not emotional. You are very slow and cautious in your approach to the other sex.

Saturn in the fifth house in Capricorn sign indicate that you will complete your education smoothly. You are blessed with comforts and pleasure from

children. As Saturn is the lord of sixth house; some troubles and displeasure are also indicated, in connection with children. Saturn may also bring about the risk of a loss of a son. You put things before others in an agreeable manner, so as to win their favour and get your matters through. You will have good control on your family.

Family Life, Marriage & Business Partner

Mr.Iuv Bansal

Born when the Leo sign was in the seventh house, you make it appear as though you are more devoted to your work than to your family. This is not a correct picture, as you are an individual with very strong attachment to your family. You love your partner and the children, and want to have a harmonious, happy home. But since you are not an extrovert, your people are not aware of your deep emotions towards them. In addition, off and on you go into a shell at home, deeply engrossed in studying material connected with your professional pursuits. This makes a wrong impression on your kith and kin who feel you are neglecting them. To erase this image, you will have to spare more time for your family on the one hand and on the other mix with them freely without being rigid.

You prefer a spouse who is educated, intelligent, law abiding and sincere. You attach more importance to these qualities than looks. Being a person who takes extreme views on matters, you may go to the extent of snapping ties with your spouse if you find the latter not up to the mark. Hence, better take your time in selecting a partner who will measure up to your expectations instead of being in a hurry. If you pick a mate from the Libra or Gemini signs, then you will get a proper match.

For a person of your bent of mind, the professions advocated are being a lecturer, astrologer, mine contractor or trader in chemicals.

Ms.Alisha kumar I'm

Born when Pisces was in the seventh house, you can be optimistic of a good family life. You will have a good marriage and get an intelligent, wise and understanding spouse who will provide you with domestic comforts and happiness. An ideal match for you will be from the Capricorn, Cancer, Taurus or Scorpio signs.

Your marital relations will be even stronger if you treat marriage as a partnership than as one in which you should be dominant. This will ensure a pleasant, friendly atmosphere at home. The effect of a loving couple will be reflected in the behaviour of the children, who will come up to your expectations and earn a good reputation.

Regarding your desire to go into trade rather than taking up a job, you had better give up the thought. In the first place, the returns on your investments in

any venture will be poor. Secondly, you are not only hard working, you are also a hard task master. You expect others to emulate you and attend to the work on hand without wasting even a single minute. But this, as you know, is not a practical proposition. So, if you enter into business with a partner, you will be disappointed when you find the latter lethargic and your having to carry the entire burden. Hence abandon the idea of doing business. Instead, service will prove immensely beneficial as you are a dedicated and sincere worker. This will enable you to rise high in your profession.

Profession, Father, Status & Power

Mr.Iuv Bansal

The general pattern indicated for those born when the Scorpio sign was rising in the tenth house is that they can make a success of any job they undertake, because they are clear-headed and tackle issues calmly and efficiently.

To ensure that this materialises, one had better select one's profession after a thorough study. The occupations from which the native would do well to choose include becoming a scientist, executive officer in government or the private sector, financial or education adviser, lecturer, advocate and astrologer. If you decide not to opt for a job but go into business, then the ideal thing for you to do is to take to the export trade.

Whether in service or in business, you can expect financial support from the government. So don't yield to the temptation of pursuing politics, though you can take an interest in it.

A good trait in you is that you will always be obedient to your father who is a person of admirable qualities. Independent spirited, he is not one to play second fiddle to anyone. He will lead a decent life since he is lucky in most respects. In financial matters too he is fortunate and will earn a substantial amount, part of which he will earmark for you. But he may be up against a problem regarding health. It is better he doesn't become tense, lest he suffer from brain affliction or insomnia.

With Venus in Scorpio in the tenth house, you can expect to lead a swell life of sound health, wealth, comforts and pleasure. You will stand to gain much if you associate yourself with science, literature and travel. With almost everything going in your favour, you can afford to earmark some time to enjoy music, theatre and the arts.

You will have very cordial relations with your father, who will see to it that you get a big slice of the ancestral property. But sometimes you feel he doesn't love you as intently as you would want, but the thought is misplaced as actually he likes you much more than anyone else, but he is unable to express his emotions to your satisfaction.

If you evince interest in politics, make sure to align yourself with the ruling party as it will work out in your favour.

Ms.Alisha kumar I'm

It is advisable for those born when the Gemini sign was rising in the tenth house to take up service instead of venturing into business. In keeping with this general trend, you would do well to select not just any job, but one from among the professions listed below, as they suit your qualifications and bent of mind :

Accountancy, law, engineering, share brokerage, trade dealing in liquids, teaching, film distribution or occultism. you won't be far off the mark if you expect to rise to the level of a regional leader in your vocation.

As already mentioned, better lay off business. But in the event of your ignoring this suggestions, for whatever reason, never make the mistake of having a partner, as it will prove disastrous.

Whether in government service or in the private sector, you can be optimistic of good support from the establishment.

You may not be entirely satisfied with the way your father goes about his job, but you will have to make an earnest attempt to adjust according to his nature. It is possible your father, most of the time feeling restless and excitable, may not pursue his goal with determination and single-minded purpose. Actually, he is capable of making a success of anything that he undertakes, but his vacillation comes in the way.

A self-made individual. That's what you will be, rather, you have got to be, since you can't expect any help from any quarter. This is the pattern discernible from the presence of Ketu in Gemini in the tenth house.

Right from childhood, difficulties are likely to confront you, but you have nerves of steel to overcome them and stand on your own feet. There are indications of your being separated from your parents due to differences. You will have to make sure you don't earn a bad name by associating yourself with shady characters.

After the age of 42, however, you can hope for a much better time. If you play your cards well, you can lead a comfortable life.
