Profession, Father, Status & Power

The broad outline indicated for a person born when the Pisces sign was rising in the tenth house is one blessed with a dual source of income. Keeping in view that the native is active, agile, alert and industrious, the professions advocated are accountancy, bank employee, secretary, advocate or share broker. Dealing in oils, beverages, cosmetics or items connected with education will also turn out to be beneficial. Since you are fond of travelling, you may opt to be a travel agent. If you evince interest in the occult sciences or religion, you can hope to shine brightly.

It is as well there are so many avenues open to you, since many changes in profession are denoted for you. In a way it is good, as you will always be experimenting with new methods of earning.

You can expect sound backing from government departments and officers, which you can exploit by becoming a supplier of articles to the government.

The busybody that you are, in addition to your varied interests, you will also have some practical involvement in politics.

Your father will shower all his affections on you and look after you well. Yet, you won't be able to strike a good equation with him, as you resent his aggressive nature. Make sure this won't cause a permanent rift because your father's health may start deteriorating from the age of 50 and you owe it to him to look after him.

Unfortunately for you, the presence of Ketu in Pisces in the tenth house spells plenty of problems. You may have to undergo a very difficult time in youth when you may not only get into debts but also suffer ignominy. As you grow up, you will have problems with your father who won't approve of most of your actions. Also, his health may not be sound.

You are likely to change jobs and professions periodically which will not be to your advantage. Ultimately, getting almost desperate, you may resort to underhand deals which will result in your having to suffer disrepute.

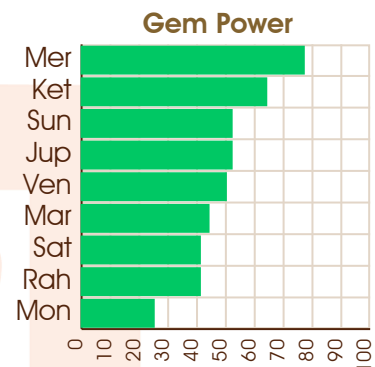

Think over these gloomy prospects objectively and evolve a practical formula to lead an honourable existence.

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Personality Analysis

The astrological configuration at the time of your birth was Gemini Ascendant (Lagna) rising along with Libra Navamsa and Gemini Dreskana in Mrigasira third Pad. The message is clear : You have got to plan your life properly, failing which you will lead a checkered career resulting in problems galore.

True, Gemini's too have plus and minus points, like all others. But the snag is they tend to pursue paths which may land them in trouble. For instance, they have a lean and lanky figure with sparkling eyes which are very much liked by the opposite sex. Consequently, they are tempted to indulge in sex, which will not only spoil their health but mar the atmosphere at home to the point of breaking homes. Also, sexual orgies may result in their begetting progenies from others sex which will be a perennial source of headache.

That is why Gemini's have to be very careful in picking their life partners. It will serve them well if they look for spouses from among those born under the Aquarius, Libra, Leo or Aries signs. This will result in a comparatively balanced homely life.

The most glaring weakness of those born under the Gemini sign is fickle-mindedness. They just can't make up their mind on the job on hand, because they lack concentration and firmness. Driven by a wavering mind, they go on changing jobs and altering plans. The result is a jack of all arts and master of none. Invariably they change their jobs and occupations many times.

Also, they lack patience. They want everything to move at breakneck speed all the time. Soon after taking up a project, they expect instant results, even though they are aware it is not possible.

Gemini's are so restless that they tend to spoil their health by constant worry and anxiety. They are prone to be afflicted by a wide range of diseases like influenza, tuberculosis, venereal diseases and fractures. Adequate rest with relaxation and sleep may ward off such diseases. Plus, breathing exercises will prove helpful.

The professions that suit the genius or Gemini's are business connected with travel agency, share brokerage, law, cinema, accountancy, banks, oils, cosmetics, beverages and education. If they prefer, they can achieve good success from the occult sciences or from preaching religion.

To get the best out of life, Gemini's had better follow the guidelines listed

below:

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive.

The numbers which vibrate favourably are 7 and 3, whereas 4 and 8 are disagreeable.

The favourable colours are green, pink, purple, yellow and blue, while black and red will prove detrimental.
