Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudrakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available. Scriptures like Rudraksha Jabalopanished, Shiva Purana, Devi Purana and Padma Purana extol the value of Rudraksha seeds.

In general all Gods are fond of Rudrakshas but it is believed that it is most favourite of Lord Shiva. Modern scientific research came out with positive results about Rudraksha. It is found that it stores electromagnetic properties, which influences human physiology. Each type of Rudraksha has its own influence and property. Rudraksha is worn to get beneficial results and is helpful in curing diseases like epilepsy, hypertension, blood pressure, stress, whooping cough, wounds. Wearing of Rudraksha not only pleases Lord Shiva but also brings blessings of Lord Vishnu, Durga, and Ganesh and Navgrahas (nine planets) it reduces the ageing process and brings peace and harmony in life.

Profession - 2029

In the beginning of the year, there would be progress of professionals. There will be gains from higher officers from time to time. You would find out the solution of problems by dint of your mental abilities and capabilities. You would take up a chance for some venture with a big company.

Since August 25, transit of Jupiter would be favorable. You would do your daily works with alertness and do something special in domain of your work. There are probabilities for new sources of income. Servicemen would be transferred from their work place.

The signs from the stars are not very encouraging for your professional prospects. You could well find yourself slogging away at work, with the rewards being nowhere near commensurate with the effort put in, working conditions, too, could be less than desirable. Most important, your association with people of learning would not bear the usual kind of fruit.

This would naturally make for dissatisfaction at your lot. Travel also will not bear fruit, though a journey Westwards may bring some marginal advantages. All told, a month during which there will be little for you to do except to patiently persevere with your work.

The augury from the stars is hardly favourable for your career prospects. This month your association with learned people of spiritual stature will not bring the usual benefits. This would not only create a sense of dissatisfaction but also create uncertainty that could well snowball into major concerns.

There would be a lot of hard work and the returns nowhere near commensurate with the effort put in. This would add to the difficulties. The redeeming feature of this period would be the inclination of most of you to lead a principal life, and not deviate for the sake of convenience.

prospects are concerned. The work-load would be quite heavy and you might find yourself working quite hard for relatively meagre returns. The company of learned people may also fail to bring the expected gains.

Travel also would not be on any significant scale, even this would prove quite fruitless, though there may be some marginal percentage for you in a sojourn towards the east. There is, however, the satisfaction that even in the face of adversity you would tend to lead a principal life, not deviating from your path because of exigencies of the moment.

Nothing particularly favourable about the augury from the stars in so far as your career prospects are concerned. The work-load would tend to be quite heavy, and you may well find yourself working hard for relatively meagre returns. Satisfaction, may also be elusive, with the company of learned people not enriching your life in the expected manner.

Some travel is also indicated, but this also is unlikely to bear much fruit, though there is some chance of gains, at best of a marginal sort, from sojourn towards the south. Overall, not a very favourable period for you, during which you would have to patiently carry on.

Nothing very encouraging about your professional prospects as far as the augury from the stars is concerned. Influences that would normally have enriched your entire working life, would somehow fail to work their magic. And, instead, you would be left with a feeling of dissatisfaction with your lot.

And there would be good reason for dissatisfaction. You would have to work quite hard, and the gains would be nowhere near commensurate with the effort put in. The situation would be further complicated because influences and contacts would fail to deliver the goods. The redeeming feature of the entire scene would be the indication of most of you to live a principal life, from which you would not deviate for the sake of convenience.

The prospects for your professional advancement are not very encouraging this month, since the configuration of stars facing you is not very favourable. There would be a lot of hard work, with returns nowhere near commensurate to the effort put in. This imbalance would be apparent in virtually every area of professional activity.

For instance contacts and influential friends would not be able to deliver the goods, something you may be in the habit of taking for granted. Travel also is indicated though of a moderate quantum. This, too, would prove quite unfruitful, though there might be some marginal gain through a sojourn towards the west. Exercise patience and persevere with your duties, till the unfavourable period is over.

A month that has little of an encouraging nature for your professional prospects, since the stars are not in an obliging mood. You would work quite hard and display a certain sense of dynamism, and yet the anticipated gains would still evade realization. Further, the satisfaction which comes from association with learned people, would be missing for some reason.

This would be an effect that would create an adverse influence upon your whole approach to work in particular and life in general. There would be some travel, but this too would not be fruitful. There are some grounds to believe, however, that a sojourn towards the east may bring some marginal gains.

Not a favourable month for your professional advancement by any stretch. There would be a lot of hard work, and the return would not be anywhere commensurate to the effort put in. This imbalance would be visible in practically all areas of your professional endeavours.

Association with gifted people of learning and spiritual stature would fail to enrich your life in the usual manner. This would also apply to your contacts and influential friends, who would be unable to do very much. The redeeming feature of this period would be the fact that most of you would be inclined to live a principled life, from which you would not deviate for the sake of convenience.

Nothing very encouraging in the augury from the stars in so far as your professional advancement is concerned. Despite a lot of hard work it may not be possible for you to realize your anticipated gains. Association with learned people would not produce the desired and usual enrichment of life.

In fact, this would be one of the causes of dissatisfaction that would set in during this period. Contacts and influential friends would also not be very helpful. This could well mean a good deal of valuable work remaining unfinished. The redeeming feature of the month, would be the inclination among most of you to lead a principled life, and not deviate because of convenience.

Encouraging signs are quite difficult to detect in the combination of stars facing you this month, as far as your professional prospects are concerned. There is a distinct chance that some of you would act outside the law for quick profits. Should this happen, only disaster can follow. This month there would be few influences or none at all, which could mitigate the circumstances. You must, therefore, resolve to refrain from such acts.

This month the association with learned people, normally so beneficial for you, would not bear the same fruitful results. This is still more reason for greater care. Travel also will not be helpful, though a sojourn north could be marginally beneficial.

The stars are not in an obliging mood and therefore the prospects for your career are not very bright. Association with gifted people of learning would fail to produce the normally beneficial results this month. The same would be true of the little quantity of travel that is indicated, though there might be some marginal percentage for you in a sojourn Eastwards.

The redeeming feature of the period could be the inclination among most of you to lead a principled life and not deviate for the sake of convenience or quick gains. This would be a wise policy.

This month the stars are not in an encouraging mood and therefore, the prospects for your career are none too bright. The association with gifted people of learning and spiritual stature would fail to bring about the normal pleasant reward. There would be a lot of hard work. But gains would somehow evade you. Further, there is the likelihood of being influenced by a feeling of insecurity.

This would also create a situation where there is mental instability. Some travel is also indicated, but this, too, would bear no fruit. Though there is some chance of marginal gain through a sojourn south. All told, a difficult month during which patience would be the most helpful virtue.
