Profession, Father, Status & Power

It would be better for a person born when the Libra sign was rising in the tenth house to take up service than having a fling at business. In keeping with this broad outline, the native can opt for a job from a wide range of suitable professions. The list includes teaching, engineering, dealing in scientific instruments agricultural and mine products. One can also shine brightly as head of a religious institution, writer, musician, playback singer, architect or salesman.

As you are a native of power and authority, it will be in your interest not to behave arrogantly with your superiors but toe a mellowed line. Otherwise, they will try to manipulate things in such a way that your service record is tarnished and your progress blocked. If you conduct yourself modestly with government officials, they will extend their co-operation and assistance to you, which will be beneficial.

You are lucky to have a good father who will be gentle and affectionate towards you. Endowed with an artistic bent of mind, he will evince a keen interest in the finer things of life and be a popular figure.

For you, the presence of Jupiter in Libra in the tenth house projects a mixed picture. Obedient to your parents, you can aspire to occupy a fairly decent position in your profession, primarily due to your father's status. But you may invite their wrath which will result in loss of face and money. Also, make sure to avoid getting into problems connected with taxes.

While undertaking a journey you should be extra cautious, since there are indications to the effect that during travel your belongings may be stolen.

Gem Selection

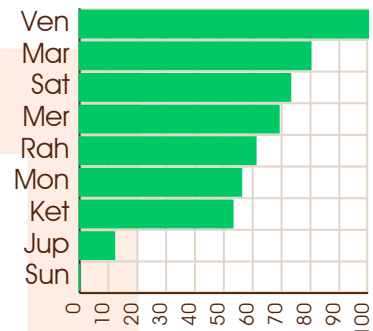

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. For those who secure 50-75% marks, it is suggested to wear gems in dasha of friendly planet or it is required to enhance the requisite area of concern. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.
