## Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

# Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. It is said to be under 'Dhaiya' effect when Saturn transits over the 4th or 8th house over the Natal Moon. The effect of Sade-Sati remains for seven & a half year and that of Dhaiya remains for two and a half year. This generally affects health, mental peace & finance.

Generally Sade-Sati comes thrice in a horoscope in the life time - first in childhood, second in youth & third in old-age. First Sade-Sati has effect on education & parents. ## चैलेपुनमए भ्रमंसजी - छंजनतम

### Mr.satvik

Born as a Capricornian, your main physical features are a big head and a broad face on which can be seen large teeth in a wide mouth. Tall and slender, you will sport stiff hair on your eyebrows and chest. Maybe it is because of your height that you may tend to stoop in your old age. If you take a close look at your knee you are likely to find either a scar or a mole. You will have starting trouble in gaining height. Of short stature during young age, you will suddenly grow tall.

Your health will be pretty good, but you may impair it by being gloomy, dejected and worried. These depressing moods may affect your digestion and cause flatulence later.

Methodical and hard working, you don't hope for miracles. You are aware the path to prosperity is strewn with boulders, hence you go about your job in real earnest, planning properly and executing it with dedication. Possessing very good organising capacity, you have the ability to adopt a scientific approach to issues, which is why you are ideally suited to hold managerial posts. Making use of every opportunity that comes your way, you will rise slowly but steadily. On the one hand you are sympathetic, generous and philosophical, while on the other you are cunning and determined to achieve your goals whatever the hurdles. It is this dual posture that may cause you problems in the domestic sphere too. Seeking an ideal and perfect home, you will get upset when it is not up to your expectations. Then you will have tiffs with your partner which will rock the family boat, Hence it would be in your interest not to push matters to an extreme at home, but adopt a reconciliatory approach to ensure a harmonious family life.

### Jaya

Born under the Scorpio sign, you will be blessed with an impressive personality comprising a well knit, muscular body tending to stoutness, long arms and short, curly hair. The overall picture you present is that of a self-assured individual who brooks no nonsense from any quarter.

Since Scorpio denotes generative organs, you will have to be particularly careful, especially from the middle age.

You have two sides to your nature. You don't believe in cutting into others path unnecessarily, as you are primarily interested only in your own affairs. But if

others try to get funny with you, then you will make them repent their actions by stinging like a scorpion. You are quick, shrewd and a keen individual. You have a penetrative mind and incisive judgement regarding men and matters. What can serve you best in your pursuits is your strong, forceful mind which has the ability to take its own decisions without having to rely on others guidance. You have very strong likes and dislikes. If you favour anything you will back it to the very last. But if you are averse to something, then you will spare no effort to demolish it. You will be a very good friend to a true friend, but a dreadful adversary to a foe. Since you lay great stress on enjoying sex, your image may be sullied.

You are prone to disease like insomnia and somnambulism. So take due precautions.

Even though her motives are unquestionable, they find it difficult to make this her intentions clear to others. It is only your father who can guide and educate her regarding running a modern household. If he does that, she will pick up fast and come up to your expectations.

The general indication provided by the birth sign is that the native may come to possess a share in the ancestral property, but may not derive benefit from it. Which means that one will either be deprived of the acquired assets or they will be squandered. Hence you will have to be alert all the time.

# Family Life, Marriage & Business Partner

## Mr.satvik

With the Cancer sign rising in the seventh house at the time of your birth, you will be an extremely cautious individual who will not take a rash decision on any issue, be it in the realm of romance or in the pursuit of your profession. You will take a pretty long time in choosing your life partner. But after you select your spouse, you will spare no effort to provide all comforts to your family.

But a snag is you are not too romantic and consequently you don't display your emotions openly, even though you are fully devoted to your family. In addition, you believe in being the boss at home and so don't provide much freedom to others. Only when you want something out of your spouse will you adopt a less rigid posture.

To make sure you don't face problems at home, you it is better to pick your life partner from one belonging to the Cancer, Scorpio or Pisces signs. This will go a long way in providing you with a balanced home.

Whether you opt for service or business, the professions that blend with your temperament are those connected with irrigation, banking, education and contracts.

In your case, however, the positioning of the Sun in Cancer in the seventh house casts a dark shadow. You will have to brace yourself to battle out quite a few problems that are likely to crop up. There are no doubt vivid indications that you may marry a rich person, but your marital ties may be under strain as you and your spouse won't have the same wavelength. But, in spite of it, both of you will manage to put up an appearance of a homogenous home made up of a loving couple. In your middle age you will be extremely worried because of the possibility of your relations with your partner nearing breaking point. At that time you will have to display a spirit of accommodation to see that the family boat is not rocked beyond repair.

Your relations with others also will not be good. In times of need neither your relatives nor your friends will extend a helping hand to you. So don't count on anyone's support at any time.

## Jaya

Born when Taurus was the rising sign in your seventh house, you can expect to have a good marriage. you are likely to get a spouse who will not only be devoted and sincere but also lucky.

It is in your blood to make a success of your marital life. To achieve that, you expect your partner to be as intense in love making as you are. Hypersexed, you are very dynamic in your bedroom and shower all praise on your mate. Faithful to the core, you drive home the point that romance with your spouse is all that matters for you in life. You will go out of your way to provide every physical comfort to your partner.

Invariably, You will be lucky in finding a spouse who will display understanding and make the necessary adjustments to ensure a happy home.

One aspect to which you attach a lot of importance is your family prestige. At all times you want your kith and kin to conduct themselves in such a way that the family honour is in no way tarnished.

There is however a problem with your nature. And that is sometimes you suddenly flare up for no obvious reason at all. This trait needs correction, as otherwise you may find yourself in a soup in professional pursuits, since your short temper will upset others. That is the reason you should keep clear of entering into business partnerships with others in the event of your preferring trade to service.

# Profession, Father, Status & Power

## Mr.satvik

It would be better for a person born when the Libra sign was rising in the tenth house to take up service than having a fling at business. In keeping with this broad outline, the native can opt for a job from a wide range of suitable professions. The list includes teaching, engineering, dealing in scientific instruments agricultural and mine products. One can also shine brightly as head of a religious institution, writer, musician, playback singer, architect or salesman.

As you are a native of power and authority, it will be in your interest not to behave arrogantly with your superiors but toe a mellowed line. Otherwise, they will try to manipulate things in such a way that your service record is tarnished and your progress blocked. If you conduct yourself modestly with government officials, they will extend their co-operation and assistance to you, which will be beneficial.

You are lucky to have a good father who will be gentle and affectionate towards you. Endowed with an artistic bent of mind, he will evince a keen interest in the finer things of life and be a popular figure.

It is after the age of 42 that you will prosper very well, according to the indication provided by the location of Rahu in Libra in the tenth house. Due to your tact and hard work, you can hope to occupy a high position in your profession. Journeys and links with items connected with foreign countries will not only be a source of pleasure for you but they will also prove financially fruitful.

An independent spirited individual, you may not be obedient to your parents, but you will be sure to look after your father very well indeed.

## Jaya

Instead of picking up just any job, those born when the Leo sign was rising in the tenth house will stand to benefit in the long run if they select a profession from among the following :

Research work, chemistry, medical (with spotlight on maternity), insurance, iron and steel, defence services or criminal investigation. The native can also join government service or a reputed private firm in which there will be good prospects of rising to a high position. Whatever you do, it appears you will be interested in running a music school for some time.

Religion and occultism are two sectors in which you are likely to evince interest. Your inclination for worshipping the Goddess is commendable. No doubt it will help you a lot in all areas of your activity.

In the event of being party to any litigation, the odds are you will emerge successful. There are no indications of your direct involvement in politics, but you have the mettle to secure benefits from politicians.

No doubt you can aspire to get your share of the ancestral property, but there are possibilities of having a tiff and misunderstanding with your father. It is better not to push your difference with him too far, because you may need his help some time or the other. You should bear in mind that he is a person endowed with vigour and vitality, and is ever willing to be of assistance to everyone.
