Physique, Health & Nature

Cancer Ascendant was on the rise at the time of your birth, which indicates that you are an unassuming individual with a moderate personality who will not attract undue attention at any gathering. Generally Cancerians are of average height, small hands and feet, but with a broad chest. Predominant on a round face will be full cheeks, denoting good health. Yet, as Cancer rules the chest and the stomach, you will have to take good care of your digestive system and the throat. Also, vigilance is essential to prevent possible affliction of the lungs, asthma, indigestion, rheumatism and nervousness. Not that these diseases are certain to affect you, but it would be prudent to be on guard against them by laying off liquor and sticking to a reasonable diet.

Your nature is such that you have a strong mental and moral fiber, but you are scared of any sign of physical danger. Normally you are talkative, but at the slightest hint of criticism, you become discreet and withdraw into a shell. This inferiority complex must be banished from your system if you have to make a mark in society. Give up a timid approach and get going with self-assurance which is bound to prove highly beneficial. You must exercise restraint on your temper which sometimes suddenly erupts without any provocation. Of course, your outbursts won't last long, as you cool down quickly.

It would serve Cancerians well if they, along with their material pursuits, develop their spiritual side also. This would, on the one hand, help steady their overworked mind, while on the other it would elevate them to a higher plane, from which they can take off to a better start in their subsequent life. As Cancer rules chest and stomach, try to avoid liquors and take precautions, against affection of asthma.

The location of Rahu in the first house doesn't give you any extra advantage, except that you will enjoy good health, but with a rider, which is more psychological rather than physical. There are indications of your encountering urinary problems which can, of course, be attended to by medication. But the other indication that you may be subjected to mental depression needs much more serious tackling. It could be because of the ups and downs you will experience that you may be mentally dejected. So, to get over it, take things easy without unduly worrying about each and every sundry issue. Face matters boldly.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas.
