## Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

# Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. It is said to be under 'Dhaiya' effect when Saturn transits over the 4th or 8th house over the Natal Moon. The effect of Sade-Sati remains for seven & a half year and that of Dhaiya remains for two and a half year. This generally affects health, mental peace & finance.

Generally Sade-Sati comes thrice in a horoscope in the life time - first in childhood, second in youth & third in old-age. First Sade-Sati has effect on education & parents. Second Sade-Sati has effect on profession, finance & family. The last one affects health more than anything else. Following tables give the periods of Sade-Sati and their effects.

# Personality Analysis

## Mr. Sahab singh

The astrological configuration at the time of your birth was Pisces Ascendant (Lagna) rising with Aquarius Navamsa and Scorpio Dreskana in the third Pad of Revati. This shows you have a dual personality, in spite of which you will lead an enjoyable life of wealth and prosperity.

You are really cast in the mould of Pisces which is a dual sign. You do things which are incompatible. Like, for instance, while in your public dealings you put on the appearance of a brave, aggressive individual who brooks no nonsense, at home you are timid, possibly even henpecked. Or, for instance, while in your business or place of work you are considered a very honest person, you wouldn't mind stooping to the level of Hippocratic if it suits your purpose.

Yet, by and large, you will conduct yourself as a decent individual, dutiful to parents and respectful to religious leaders, generous and sympathetic to the feelings of others. You can earn a lot of money and enjoy life to the full. Your idea of enjoyment, however, is sex. Even while parading as a devoted partner, you may be tempted to have secret affairs with others, women which if not resisted, may mar your fine atmosphere at home. You have got to resist the urge to yield to temptations.

Also, you will have to be more practical-minded to succeed in life. As it is, you are given to day-dreaming, imagining all sorts of pleasant things, all of them far removed from reality. You must come down to earth and pursue your assignment with hard and dedicated work which is certain to prove beneficial to you.

You will also have to give up your trait of relying on others' promises, because more often than not the promises will only remain on paper. You should tackle your jobs on your own, without depending upon outside help.

A highly religious person, you are ideally placed to adopt a philosophical approach to things. As the basic idea of the Pisces sign is occultism and mysticism, you can learn about them and hope for the liberation of the soul, at least in some other birth if not in this one. Religion can easily be practiced along with attending to worldly matters if one has the will to do so.

Everyone is susceptible to some disease or the other. So are you. In your

later years you may encounter problems connected with the intestines and the ears. If advance precautions are taken, after consulting your doctor, you can at least mitigate the hardship, if not eliminate it all together.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.

The numbers you can count on are 1, 3, 4 and 9. The one which you must avoid is 8.

Never go in for blue. The colours best suited to you are red, rose, orange and green.

### **Chandra prabha singh**

At the time of your birth, Leo Ascendant (Lagna) was rising with Leo Navamsa and Sagittarius Dreskana in the first Pad of Poorva Phalguni. This clearly establishes you will lead an excellent life, more so from the age of 28. Your best period will be between the ages of 28 and 32.

You will be on velvet for the greater part of your life. Most of your needs will be satisfied. You are blessed with a golden touch in that whatever you undertake will be a success.

One of your finest assets is you know how to get on with people. As you have the ability to invoke affection and admiration in others, you will have the benefit of their unstinted co-operation and your work will progress without a hitch. You lend a patient ear to the problems of all those who approach you and make an earnest effort to solve them.

You have another splendid talent. That is: You know how to impress your superiors and get close to the topmost authority, with the result you will get to occupy a powerful and lucrative post, like manager of a company or director of a corporation. At the same time, you have the knack of getting the best out of your subordinates. You will be a good leader.

You are clever and skilled in many arts. This enables you to devise ways and means of crushing any opposition to you. In any combat with your enemies, you will triumph.

Your impressive appearance attracts the opposite sex to you, like a magnet attracts iron filings. This could lead to your getting tempted to have a gay time, but better perish the thought, as it may disrupt your happy family life. You will

have a loving spouse and dedicated children and an enjoyable home. Let it continue that way.

A problem with you is you are physically so active that you won't have adequate rest. Always on the move, attending to more than one job simultaneously, you will strain your nervous system very much. Consequently, you may, in later years, have problems connected with the heart, the spinal column and blood pressure. Learn to relax.

One thing you are always conscious of is about your and your family's dignity. You will never compromise on that and strive to maintain it, come what may.

The professions that suit you admirably are joining government service, entering transport business, hotel industry or photography.

Make sure to make orange, red and green your favourite colours, avoiding blue, white and black.

Numbers 1, 4, 5, 6 and 9 are your lucky digits. The ones that don't suit you are 2, 7 and 8.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.

## चैलेपुनमए भ्रमंसजी - छंजनतम

### Mr. Sahab singh

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.

From the first house, Rahu gives added power to your personality, giving you ample opportunity for self-expression. Instead of utilizing this to further your overall prospects, you are likely to use it to catch the eye of the opposite sex for whom you have a fancy. If you do so, you may let slip a golden opportunity to come up in life and end up chasing amorous pursuits all the time. By any rationale estimation, you should lay off the sex mirage as you are slated to accumulate wealth through the medium of religious institutions. A sober stance will surely make you more prosperous and happier.

Fair complexioned, your face along with your shapely head displays a pair of large, attractive eyes. Your soft, wavy hair provides a touch of a sporting appearance. Matching your well proportioned body will be your splendid health. You don't fall ill frequently, but when you do, you get alarmed over it even though you have tremendous recuperative power to get over it rapidly. Restrict your diet to vegetarian, avoiding liquor and cutting down on beverages.

Free, frank and outspoken, your nature goads you to be aggressive in pursuing an independent path. Pinning faith in hope for the realisation of your goals, you will go about your job with courage and confidence. But sometimes you act hastily and get irritated when the results are not up to your expectations. Then you start shouting at others, but fortunately your outbursts don't last long, as you cool down quickly. No doubt you like flattery, but you are not one to be carried away by it. # Family Life, Marriage & Business Partner

## Mr. Sahab singh

For you, born when the Virgo sign was in the seventh house, the predominant aim in life is romance all the way. Whether at home or at work, the one and only thought uppermost in your mind is love and sex. No doubt you can afford to pay the maximum attention to the romantic side of life, as you are not only endowed with an attractive personality, you also have adequate resources. Yet, being shrewd, you will keep money in reserve for your old age.

It goes to your credit that you pour your entire affection on your spouse and, more importantly, you convince your partner of it. Sincere and true, you will go all out to ensure a happy, harmonious home. You prefer a handsome spouse to an intelligent one. If you have a brainy partner, then your matrimonial ties may be under strain because of a quarrel in your nature. And that is your highly suspicious bent of mind. You are such a Doubting Thomas that you see ghosts in almost everything. You look upon with suspicion each and every move of your partner and go on imagining things. If you don't banish this trait from your system, you may spoil your own happiness. You have to have absolute faith in your mate and live happily.

As you have good business acumen, you may, if you prefer it, launch your own venture. This can be done as an independent project or in addition to your job. The professions that suit you are being an accountant, bank officer, dealing in cinema, and cosmetics or medicine.

With an exalted Mercury in Virgo in the seventh house, you can expect an early marriage to a rich person hailing from a good family. Your partner will be co-operative and eager to meet all your demands, but if there is to be any rupture it will be only because of your sexploits with others. So, make sure to be fully devoted to your spouse which will pave the way for a smooth, happy home.

After registering material gains from the marriage, you can fare well in business too but only if you enter into a partnership with others.

## Chandra prabha singh

Normally, those born when Aquarius was in the seventh house can be considered to be lucky, blessed with position, power, assets and most important of all, marital bliss. Ideal lovers, they will spare no effort to ensure a happy home.

**FUTUREPOINT**  
Astro Solutions

You may, however, encounter a small problem. You display too much affection for the opposite sex which may be mistaken by your spouse. It will be your responsibility to explain it explicitly so that it won't cause any misunderstanding among the two of you. No doubt you are very sincere in your affection for your spouse, but you are incapable of demonstrating it properly. You must pay attention to this aspect of your nature.

Actually, you are very proud of your family members and you won't tolerate any disrespect to them from any quarter. You will be extremely fond of your children who will come up to your expectations.

To make certain you get an ideal match, look for one born under the signs of Aquarius, Aries, Sagittarius, Gemini or Libra.

It is your ardent desire that your kith and kin should appear impressive before others and show magnanimity in their actions. This will result in your bulky bank balance dwindling as years go by.

In keeping with your qualifications and temperament, the professions that suit you best are being a top executive or managing a big company.

But, unfortunately, these general trends don't hold good in your case. This is because of the presence of the Sun in Aquarius in the seventh house which is inimical to you. As against the normal expectations, you may experience a turbulent atmosphere at home, with you and your spouse being at loggerheads. You will have to take precautions to see to it that the family ties don't reach the breaking point.

In service or in business too, the prospects are pretty gloomy. In business especially, you will be ruined if you launch a venture in partnership with anyone.

# Profession, Father, Status & Power

## Mr. Sahab singh

There are quite a few profession suited to the temperament and genius of those born when the Sagittarius sign was rising in the tenth house. So the native would do well to select one from among them to prosper in life.

The best of the lot are banking and accountancy. Among the others are being an administrative or liaison officer in government or a public sector corporation, or becoming a lecturer. If the native is inclined to enter into business, then it would be advisable to deal in oils, soft drinks, beverages, chemicals, medical equipment or cosmetics.

But keep clear of politics, of any kind. If not, you may invite trouble. This aspect needs to be stressed, as there are hints that you may take an active part in office politics which will not bring beneficial results, but actually retard your progress.

In the event of finding yourself in the midst of a controversy, avoid getting into litigation, as it will be counterproductive.

You are lucky to have a good father whose qualities are worthy of emulation. He is free, frank and fearless, and goes about his work in a planned manner. He is also sympathetic to others feelings and will be generous and charitable.

## Chandra prabha singh

The overall pattern that emerges from the Taurus sign rising in the tenth house at the time of one's birth is that the native can choose a profession suited to his/her genius from a wide range of occupations.

Actually, politics is not your cup of tea, but if you enter into it you are likely to be fairly successful.

The inspiration for you to become an able, practical individual comes from your father. Watching him going about his job with dedication and resoluteness, you will make it a point to follow in his footsteps.
