Physique, Health & Nature

Born under the Libra sign, you will have a well-formed body, which will be slender in youth but as age advances it may become stout. Tall, your smooth silky hair enhances your good looks. Many Liberians have dimpled cheeks, providing an extra edge to their captivating smile. A youthful appearance proves to be a hit with the opposite sex.

A person having a good physical structure does not necessarily mean he/she will enjoy robust health all the time.

It is love making that has the pride of place in your nature. Whether at work, at home or parties, the foremost thought in your mind all the time is sex. You are a passionate lover, operating simultaneously on two fronts - the domestic sphere and other pastures. Yet, you will manage to have a balanced homely life.

Courteous and hospitable, you always want to catch the eye of people particularly those of the other sex. That is why you display charming manners, laughing and smiling. Fond of beauty in all things, you would want to dress well, use perfume and decorate your abode with modern furniture. You attach much importance to a neat home as you desire inviting friends for parties. For you, life won't be interesting without friends. To make sure that your desire is fulfilled, you will have to learn to control your temper. Otherwise, you will stand to lose the association of influential and large-hearted people. This would amount to a near disaster, because it is only through such people that you can hope to amass a fortune.

Liberians are tend to have infections disease so they must be extra-careful. They must avoid over-indulgence in sex.

As Venus is present in the first house, you can rest assured of sound, almost perfect, health. To ensure that, you will have to apply a firm brake on your wild adventures. Timely meals and regular hours of rest and relaxation should be adhered to so that you enjoy a comfortable, long life. However much stress is laid on maintaining correct habits it will be insufficient, as there are indications that as and when you meet your end it will be only because of your misadventures.

Personality Analysis

At the time of your birth, Libra Ascendant (Lagna) was rising along with Pisces Navamsa and Aquarius Dreskana in the fourth Pad of Swati, signifying you will lead a cozy, charming life which will be the envy of others.

You will gain material benefits and comforts between the ages of 30 and 35, a good chunk of which you will be tempted to squander in maintaining a majestic appearance and seeking worldly pleasures. Keep a check on it so that you are not left high and dry in your old age.

Being religious-minded, you will visit many holy places and contribute to good causes. Possibly due to this and your quality of honesty in all your dealings, you will be blessed with excellent sons who will earn name and fame.

You are thus assured of a very happy home, more so if you are smart enough to find a spouse who can understand your feelings and match you in your ardent love-making, which is the second prime goal of your life, next only to amassing wealth.

For finding an ideal partner you would do well to look for one born under the Gemini or Aquarius signs. But if you have a spouse belonging to the Cancer, Capricorn or Pisces groups you had it, as your partner won't be able to live up to your expectations.

But even then, credit is due to you as you won't desert your partner in spite of your disappointment, but carry on somehow.

Actually, you will do a lot to maintain a pleasant atmosphere at home by decorating your partner with costly ornaments and clothes, and meeting all the requirements of your family members. You will furnish your house very attractively to catch the eye of your friends, without whom you will find it difficult to live.

Liberians in general have good physique and enjoy excellent health. But they may be prone to infectious diseases and urinary complications as age advances. Preventive steps will have to be taken against such a contingency.

Already lucky, having wealth and a pleasant home, you can fare even better if you work out your time-table bearing in mind the following guidelines :

The colours that suit you best are white, red and orange; those you have to avoid are yellow and green.

Numbers 1, 2, 4 and 7 are favourable to you while 3, 5, 6 and 9 are not harmonious.

The lucky days for you are Friday and Saturday whereas Wednesday is average. The other four days are not too favourable as they will prove expensive.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas.
