## ଛନ୍ଦିପତ୍ରବଦ୍ଧଞ୍ଜର

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available. Scriptures like Rudraksha Jabalopanished, Shiva Purana, Devi Purana and Padma Purana extol the value of Rudraksha seeds.

In general all Gods are fond of Rudrakshas but it is believed that it is most favourite of Lord Shiva. Modern scientific research came out with positive results about Rudraksha. To add to the woes of some of you who have proposals for loans pending before banks of financial institutions, or would like to submit such proposals, have rough weather ahead. Make allowances for such eventualities, since you will have to face a fairly adverse set of circumstances.

A superb month during which you have excellent opportunities to advance your financial prospects, and also to derive a lot of satisfaction from your work. Practitioners of the arts, like writers, painters, and sculptors, etc would have an extremely satisfying time where they would not only gain financially but also have grounds to be happy about their creative output.

Even for the rest of you, there would be sufficient grounds for celebration, since in all likelihood you would be able to achieve your targets. Partnership or association of a professional type with women would be particularly fruitful. And

Nothing particularly helpful is likely to happen regarding your financial prospects this month. Those dealing with foreign countries or interstate associations would have to go through a rough patch this month. In fact, most of you could well find themselves working quite hard to achieve planned objectives which may remain elusive despite all this effort.

Further, the climate would hardly be conducive to investment and launching of new ventures. Therefore, if you have any such plans, these should be shelved for a later period. Partnerships and professional associations are also likely to give trouble. Maintain a low profile, till the adverse spell is over.

There is nothing particularly favourable, in the augury from the stars about your financial prospects this month. Any dispute on litigation that you might be involved in would almost certainly go against you. Try and get a decision deferred till a later and more favourable period.

Those dealing with the government would have to face a rough patch as would people having dealings with foreign countries, or interstate dealings. In short, most of you would have to work quite hard and struggle to achieve planned targets, in which task, despite your best efforts, no significant success would be scored. Pending loan applications, or steps for fresh advances to banks of financial institutions are unlikely to meet with success.

A month during which there is nothing very favourable about your financial prospects, in the augury from the stars. Writers, artists, sculptors, and others of their ilk should make provisions for an extremely lean period, because that is just what they are going to face.

Despite association with several gifted people of learning, most of you would be struggling to achieve planned goals, and would even then not achieve much success. Any pending loan application or a proposal for a fresh advance from banks or financial institutions is unlikely to be successful. Expansion plans or plans for a new venture should be shelved for the moment, since the circumstances are hardly propitious for such purposes.

Nothing very favourable, about your financial prospects this month according to the stars. Those having interstate commercial transactions and overseas trade relations would have to face rough weather. In fact, most of you would have to struggle quite a bit to achieve expected gains, and even then you are unlikely to achieve much success.

The climate would not be ripe for investment and the launching of new ventures. These are likely to get stuck up. Further, any pending loan applications with banks or financial institutions would not have much chance of approval. This is not a favourable period for you, and therefore, it could be best to maintain a low profile till the adverse period is over.

This month you should boldly go on to score several financial success. A boldness of approach and outlook would characterize the professional activities of some of you, and would in some degree, influence most. Those engaged in overseas operations would have an extremely profitable time and in any case, most of you would be able to achieve gain in planned objectives.

This would embolden at least some of you to expand their operations or to launch new ventures, for which the climate would be quite congenial. Further, any pending loan application or a fresh proposal for advances from banks or financial institutions would have excellent chances of speedy acceptance.

A satisfactory month, for your financial prospects during which you could achieve significant gains, though not entirely without difficulties. Association with gifted people of learning and spiritual stature would catalyze the successful completion of your enterprises, whatever these may be. In fact, this would imbue your entire working life with a satisfying dimension of culture and refinement.

You would be able to realize most of your objectives and derive full profit from these. Yet it is likely that you will face difficulties on the way. There are also some chances of delay. But success is assured. A fairly good period, during which you would not only achieve much, but also derive much satisfaction.

This month, you have fairly encouraging financial prospects. There is a distinct chance that you would gain substantially by a service done to you by some elderly person. You could expect further good fortune through a partnership or a professional association with some member of the female sex. This could also bring handsome gains.

The climate would be quite congenial for investment and new ventures. And those of you who have such plans on the anvil would do well to put these into motion. Further, any pending loan application or a new proposal for fresh advances to banks or financial institutions would have excellent chances of being approved.

The augury from the stars is not favourable for your financial prospects this month. There is a distinct chance that some of you would be influenced by a mean streak and be goaded into severely exploiting your workers, subordinates, or just people below you in the social strata, for selfish ends. These efforts of yours would be met with stiff resistance and could well create an extremely unpleasant situation for you.

Therefore, curb such tendencies with a firm hand. Further, those in the overseas trade could face a rough patch of circumstances. In fact, most of you would have to struggle quite a bit to realize your planned objectives and even then not achieve much success. An unfavourable spell for you, during which the climate would not be congenial for investment or new ventures.

A month during which you would achieve fairly beneficial results financially, though not entirely without difficulties. Most of you would be able to derive most of your objectives and derive full profit from this success. Yet it is very likely that you would face some problems on the way. There are also some chances of delay. But success is sure.

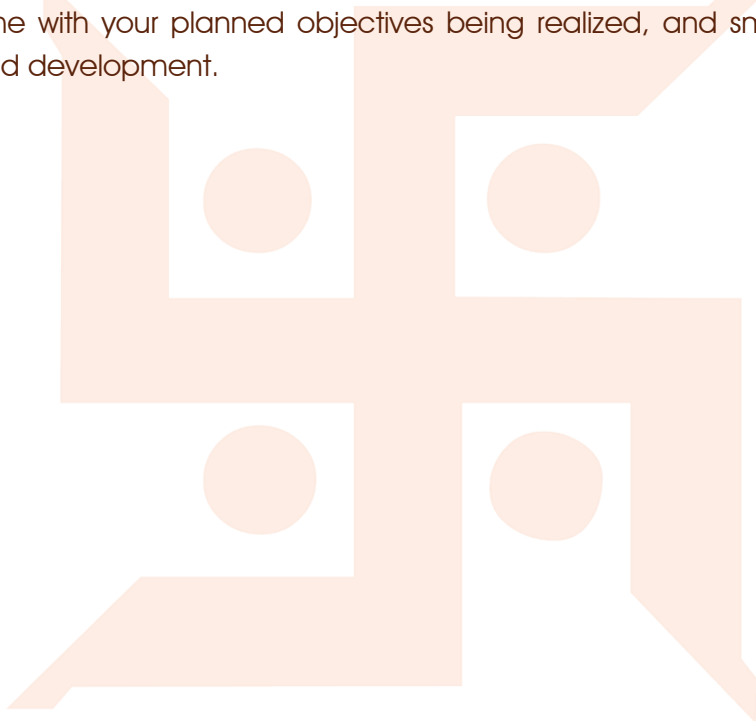

More important, association with several gifted people of learning and spiritual stature would catalyze the fulfilment of your objectives, and bring you success in your enterprises, whatever these might be. In fact, this would imbue your

entire life with a dimension of culture and refinement. Overall, a beneficial month.

This month would bring excellent opportunities to promote yourself financially, since the stars appear to be in a fairly obliging mood. Existing operations would yield the anticipated gains and these would be realized in full. Further, those planning fresh investments or new ventures should go ahead since the time is quite propitious for such a step. Those seeking loans from financial situations would succeed in their efforts.

Any dealings with foreign countries or even interstate dealings would stand a good chance of being extremely fruitful. In short, most of you would have a beneficial time with your planned objectives being realized, and small scope for expansion and development.
