Introduction to Loshu Grid

Through this method, we understand the complete personality of a person with great simplicity and quickness only by knowing his date of birth. Through this method, we can also suggest ways to remove the harmful effect of missing digits in the chart of that person. The rows, columns and group of numbers present or absent in the chart are helpful in telling the personality of the person in detail.

Number 1 – 3 Times

Number one is present three times in your Loshu chart. You either talk too much, or sometimes like to calm down and introspect. The truth is that you actually have both characteristics. But the performance of your personality depends on the situation. You usually have a mixed relationship with everyone. There is neither more friendship towards anyone nor sense of enmity.
