## Education, Mother, Conveyence & Property

Anyone born when the Scorpio sign was rising in the fourth house can be hopeful of a good and comfortable life. It is by watching your parents that you learn that hard work will pay rich dividends. You are likely to have a mother who will dominate everything at home and strive to do her utmost for the family's progress.

Even though you won't be the legal heir to your ancestral property, you will manage to derive full benefits from it. Either you will come across some hidden treasure or else you will have hidden powers like intuition and reading others thoughts. You may have some knowledge of the occult sciences also.

You will be lucky enough to have a cozy house. Maybe the accommodation won't be big, but it will be spick and span. After changing accommodation frequently, you will be able to have your own house in your middle age. Around that time you may have a conveyance too. From then on you will go in for a better vehicle in keeping with the rise in your status.

Technical education is ideally suited for you, but to secure it you will have to make a determined effort. There are indications that you may acquire higher education in science subjects or administration.

Your health will be pretty good, but you will have to see that it won't deteriorate because of your habits. This note of caution is due to the possibility that you may take to liquor and chain-smoking, thereby inviting diseases connected with the chest and the lungs.

# Personality Analysis

At the time of your birth, Leo Ascendant ( Lagna ) was rising with Taurus Navamsa and Leo Dreskana in the second Pad of Magha. This denotes you will lead a good and comfortable life without any major worries.

As a member of the lion's club, you will have a roaring time. Displaying dynamism and a spirit of adventure, you will go about your business in an aggressive manner, reaping rich harvests. But a good part of your sizeable income will be spent as you insist on maintaining an impressive facade in everything you do. You want all your family members to dress well and you spend a handsome amount in keeping your house trim and tidy to impress your friends whom you entertain to lavish parties. Also, being a religious individual, you will very generously contribute to charity. The result of all this will be that you will realise in your old age that you are left with rather meager assets. Better keep a tight rein on your purse, especially from the age of 25 when your lucky period begins.

Rich and brimming with self-confidence, you behave very rashly and take quick decisions on business matters without giving a second thought to them. Though you listen to the advice of your friends and well-wishers, you don't consider them seriously and rely entirely on your own judgment. If you can curb your intemperate trait, you will rise higher in life.

You have to exercise control over your fiery temper if you desire having a good family life. Your sudden outbursts may rub your family members on the wrong side and lead to unnecessary friction, upsetting a happy home. Actually, you can have an enjoyable homely life, as your spouse and children love you dearly, which you reciprocate. One thing you will have to be careful about is your popularity with the opposite sex in general. This may make your spouse suspicious. You will have to clear all doubts by explaining to your partner that because you are a hit with members of the opposite sex doesn't mean you are unfaithful to your partner.

As a born ruler, you have the tendency to deal with major and important matters, leaving the details and sundry items to your subordinates. You are fit to occupy top spots in big corporations and firms.

Of course, your health will be generally good, but you will have to take precautions against the chances of suffering from spinal trouble and heart ailments in your old age. Abstention from liquor and having a balanced diet would help in this.

Red, green and orange are the colours favourable to you. Avoid black and white.

Your favourite numbers should be 1, 4, 5, 6, and 9. Keep off 2, 7 and 8.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.

# Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available.
