Personality Analysis

Mr.Y Pavan Kumar

At the time of your birth Virgo Ascendant (Lagna) was on the rise with Gemini Navamsa and Capricorn Dreskana in the third Pad of Hasta, which indicates that you are a person fond of reading and will be interested in creative pursuits. This should turn out to be profitable.

But it is your intellectual caliber which may land you in trouble. You will criticise and find fault with most of the persons you run into, with the result a good majority of them will become hostile to you. Some of your friends and servants may try to carry on a campaign against you in public. So, better exercise patience and silence in your dealings with others.

Your other weaknesses are a fascination for alcohol and sex. You will have to curb both, to maintain good health and to ensure a harmonious family atmosphere, especially because you will have an understanding spouse and children who will do you proud.

Regarding health, there is no need for undue concern, as it will be very good during most of your long life. But since you have a highly sensitive stomach and nervous system, you will have to be on guard against the possibility of being stricken with diseases like typhoid, dysentery and nervous breakdown. Sticking to a balanced, vegetarian diet will prove beneficial.

You can, of course, become rich and lead a life of comfort, but for that you will have to put in a sustained effort. You will have to have consistency of purpose, instead of a wavering mind. It would serve no purpose if decisions are changed frequently because of a fickle mind. You will first have to think deeply about your plan of action, arrive at a firm decision and pursue it with determination.

In your over eagerness to make quick money, you may desire investing in commercial ventures, as you have a sound commercial instinct. Better to ignore that temptation, as the returns on the investments you propose will not be anything to shout home about.

You have a wandering nature, which is why you change your residence frequently. Constant change in anything you do is the key aspect of your nature. That is why you have the habit of leaving things half done and switch over to

something else. You have to get over this trait if you want to rise high in life.

Prefer numbers 2, 3, 5, 6 and 7, and avoid 1 and 8. Since blue, black and red don't suit you, take to yellow, white, green and emerald colours. The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.

Ms.S Syamala

A very fortunate individual you are, as at the time of your birth, Libra Ascendant (Lagna) was rising along with Capricorn Navamsa and Aquarius Dreskana in the second Pad of Swati be stowing on you a life of health, wealth, sex and pleasure.

You are set to enjoy life to the full. In whatever you do, you seek only one thing and that is pleasure - pleasure in gaining knowledge, in making a good impression on others, in making, money, in keeping friends happy and most important of all conjugal pleasure.

You will be literally wedded to your spouse. You shower all your love on your partner displaying sexual expertise. You will also cast an eye on others, not just any, but only those who are extremely attractive and seductive. You are very choosy in this as you are one who appreciates beauty.

Whether it is your attire or your household furniture, you only want those that look beautiful. You want to decorate your home with the best of furniture and adorn it with piece of art and rare objects, no matter what they cost. You can afford all this, as you are wealthy. For you wealth will just not come on a platter, you will have to procure it with intelligent, hard work, preceded by thoughtful planning. An adventurous, learned person, you will do just that and amass a lot of assets, especially between the ages of 30 and 35 which will be your most lucrative period.

You believe fortune favours the brave. Hence it is that you feel at home in the company of the courageous. In choosing friends you look for those who are bold. It is this approach that makes you go about your job without an iota of fear of any sort.

Even while going all out to secure material things, you will not ignore the religious side of life. You will evince interest in religion and philosophy and learn about them in your spare time. You will display a charitable disposition and render assistance to your brothers and friends.

Your health will be splendid. But that does not mean you should not exercise caution on the possibility of some diseases, like urinary troubles, eczema and boils, affecting you some day. So take precautions against such an eventuality by periodic medical check-ups and having timely meals.

The lucky days for you are Friday and Saturday whereas Wednesday is average. The other four days are not too favourable as they will prove expensive.

If you make 1, 2, 4 and 7 your pet numbers you will stand to gain. But don't go anywhere near 3, 5, 6 and 9.

Since green and yellow don't suit you, keep clear of them. Prefer orange, red and white which will prove highly beneficial.
