Personality Analysis

Mr.T Dileep

The conjunction of Cancer Ascendant (Lagna) rising with Sagittarius Navamsa and Scorpio Dreskana in the first Pad of Aslesha at the time of your birth, denotes that it is entirely up to you to make a success of your life. There are signs of conflicting qualities in your personality which, if not sorted out, may deprive you of the chance of leading an opulent and comfortable life.

As a Cancerian, you are born to lead and act like a prophet, with the ability to earn substantial sums of money. Sagittarius Navamsa also points in the same direction. But your Nakshatra throws up the possibility of your being ungrateful and untrustworthy in your dealings. You have got to conquer this negative aspect of your character and develop your positive side. In that event, you will certainly get rich dividends, especially after the age of 33.

If you give up your inferiority complex and overcome your timid nature, it will help in going you to attend to your jobs with self-assurance and courage. Adopting a practical approach, you can succeed in your efforts, but you tend to suddenly get lazy and halt in your tracks. Get going with resoluteness and you are bound to succeed.

Of course, you are not scared of your opponents, but you would do well to avoid getting into disputes with them. Proceed cautiously and achieve your targets smoothly.

Your dual personality will also be put to test in your relationship with your family members. As a Cancerian, you should be fully devoted to your family, making any sacrifice for their welfare. But there are indications of strained ties with them. In this regard, you had better realise that whatever the provocation, you must curb the temptation to take to liquor.

If you work with purpose, you can build up a lot of assets. The ideal professions for you would be those connected with water, like irrigation and agriculture, dams and bridges, shipping and the like. You can also take to travel agency and astrology.

The diseases which can affect you are throat infection, nervousness, hysteria and boils on the body. Periodic visits to your family doctor is advisable.

For you, the lucky numbers are 4 and 6 which vibrate in your favour. The

numbers which disagree with you are 3 and 5 which should be avoided. Your lucky colours are yellow, red, white and cream. Shun green and blue.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.

Ms.Syamala

A very fortunate individual you are, as at the time of your birth, Libra Ascendant (Lagna) was rising along with Capricorn Navamsa and Aquarius Dreskana in the second Pad of Swati be stowing on you a life of health, wealth, sex and pleasure.

You are set to enjoy life to the full. In whatever you do, you seek only one thing and that is pleasure - pleasure in gaining knowledge, in making a good impression on others, in making, money, in keeping friends happy and most important of all conjugal pleasure.

You will be literally wedded to your spouse. You shower all your love on your partner displaying sexual expertise. You will also cast an eye on others, not just any, but only those who are extremely attractive and seductive. You are very choosy in this as you are one who appreciates beauty.

Whether it is your attire or your household furniture, you only want those that look beautiful. You want to decorate your home with the best of furniture and adorn it with piece of art and rare objects, no matter what they cost. You can afford all this, as you are wealthy. For you wealth will just not come on a platter, you will have to procure it with intelligent, hard work, preceded by thoughtful planning. An adventurous, learned person, you will do just that and amass a lot of assets, especially between the ages of 30 and 35 which will be your most lucrative period.

You believe fortune favours the brave. Hence it is that you feel at home in the company of the courageous. In choosing friends you look for those who are bold. It is this approach that makes you go about your job without an iota of fear of any sort.

Even while going all out to secure material things, you will not ignore the religious side of life. You will evince interest in religion and philosophy and learn about them in your spare time. You will display a charitable disposition and render assistance to your brothers and friends.

Your health will be splendid. But that does not mean you should not

exercise caution on the possibility of some diseases, like urinary troubles, eczema and boils, affecting you some day. So take precautions against such an eventuality by periodic medical check-ups and having timely meals.

The lucky days for you are Friday and Saturday whereas Wednesday is average. The other four days are not too favourable as they will prove expensive.

If you make 1, 2, 4 and 7 your pet numbers your will stand to gain. But don't go anywhere near 3, 5, 6 and 9.

Since green and yellow don't suit you, keep clear of them. Prefer orange, red and white which will prove highly beneficial.
