Introduction to Loshu Grid

Loshu chart is an important part of Chinese numerology. It is based on the miraculous Lakshmi Yantra. Through this method, we understand the complete personality of a person with great simplicity and quickness only by knowing his date of birth. Through this method, we can also suggest ways to remove the harmful effect of missing digits in the chart of that person. The rows, columns and group of numbers present or absent in the chart are helpful in telling the personality of the person in detail.
