त्रिषट् एकादशे भौमः सर्वदोषविनाशकृत् ।।

In case the native is a Manglik and in the other native's horoscope if either of Rahu, Mars or Saturn are deposited in 3,6 or 11 house then Manglik dosh does not have any significance.

# Personality Analysis

## Mr. Abhi

The combination of Virgo Ascendant (Lagna) on the rise with Virgo Navamsa and Taurus Dreskana in the second Pad of Chitra at the time of your birth is very favourable to you. You are assured of a comfortable, fruitful life, enjoying all the good things one can aspire for.

Having an attractive personality, with a broad forehead and expressive eyes you will be popular and well liked by all those with whom you come in contact.

A practical individual, courageous, enterprising and energetic, you can fare well in any avocation you take up and emerge successful. You have the capacity to earn a lot, but you won't be able to retain a good portion of it, because you are not only a very generous person, you are also a great spender. Wanting to appear impressive with an air of distinction all the time, you will incur much expenditure on clothes and jewellery for yourself and for your family members. Since you want the best in everything, your expenses will be much more than that of a normal human being.

There is, however, a tiny, negative streak in you. And that is sometimes you tend to take things easy, even when matters requiring your attention will be pending. You have got to give up any lazy stance and go about your job with determination, which will prove highly beneficial. Between the ages of 33 and 38 especially, you can reach the pinnacle.

You are highly religious and have interest in acquiring knowledge about the occult sciences and astrology. You wouldn't mind contributing to charity to help the downtrodden sections of society.

Thoughtful and profound, you are adept in humorous even sarcastic talk which will be highly appreciated by people. Apart from monetary gains, you will also derive comfort from your spouse and children. You will have a pleasant home life.

The professions that suit you well are dealing in sports material, automobile spare parts, business partnerships with like-minded persons and clothes and jewellery. If you want to take up service, you can go in for jobs like becoming a doctor, engineer, lawyer or scientist.

Your health will undoubtedly be very good, but in later years there is an outside chance of your being affected by diseases connected with the kidneys and the bladders. So take precautions against them.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive. Your lucky colours are yellow, white, emerald and green. Avoid red, black and blue. Numbers 2, 3, 5, 6 and 7 will prove beneficial, but not 1 and 8.

### **Bride-Bisleri-Kadur**

The combination of Leo Ascendant (Lagna) rising with Cancer Navamsa and Sagittarius Dreskana in the fourth Pad of Magha at the time of your birth shows that an otherwise excellent life is marred by a lacuna - and that is, the native is not destined to enjoy the comforts of the company of father or son. There are indications that one may have problems of one sort or another with one's father and encounter difficulties regarding one's son too.

Barring this negative aspect, life will be superb. Earning a lot of money, enjoying the respect of others, bestowed with a high administrative position and dearly loved by the family, you will lead a fruitful life.

Regarding money, however, you will have to be cautious. As you aspire to put up an impressive image before others, you will spend quite a bit on the clothes and jewellery of yourself and your family members; and invest a lot on the upkeep of your house as you have the urge to invite your business associates and friends for parties.

Coupled with this, your generosity will make you provide financial assistance to the weaker sections of society. Consequently, you may not be left with any appreciable assets in your old age. Proper planning of expenditure is called for to avert such a situation.

You are born to lead and that is what you will do. Making full use of your inborn quality of leadership, you can hope to rise to a top position in a corporation or a leading firm. With your dynamic and quick-silver approach, you will be able to make a success of any job that you take up.

In spite of your busy schedule involving much work and travel, you will manage to spend reasonably adequate time with your family members whom you love a lot.

You have a slightly dramatic trait in you; and that is you have the ability to alter your behaviour according the situation. Not that you indulge in this frequently, but when you do, you make a pretty good job of it.

Health will be good by and large, but in old age you may run the risk of suffering from heart trouble and spinal meningitis because of your rather tense nerves and rash approach to things in life. Learn to relax and take it easy. It will do you good if you observe fast on full moon days.

Now since most people are giving up black and white and going in for colour, you had better follow suit. Prefer green, orange and red which are your lucky colours.

The numbers about which you will have to be careful are 2, 7 and 8 as they don't suit you. Opt for 1, 4, 5, 6 and 9 which will prove favourable.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.
