## Physique, Health & Nature

Cancer Ascendant was on the rise at the time of your birth, which indicates that you are an unassuming individual with a moderate personality who will not attract undue attention at any gathering. Generally Cancerians are of average height, small hands and feet, but with a broad chest. Predominant on a round face will be full cheeks, denoting good health. Yet, as Cancer rules the chest and the stomach, you will have to take good care of your digestive system and the throat. Also, vigilance is essential to prevent possible affliction of the lungs, asthma, indigestion, rheumatism and nervousness. Not that these diseases are certain to affect you, but it would be prudent to be on guard against them by laying off liquor and sticking to a reasonable diet.

Your nature is such that you have a strong mental and moral fiber, but you are scared of any sign of physical danger. Normally you are talkative, but at the slightest hint of criticism, you become discreet and withdraw into a shell. This inferiority complex must be banished from your system if you have to make a mark in society. Give up a timid approach and get going with self-assurance which is bound to prove highly beneficial. You must exercise restraint on your temper which sometimes suddenly erupts without any provocation. Of course, your outbursts won't last long, as you cool down quickly.

It would serve Cancerians well if they, along with their material pursuits, develop their spiritual side also. This would, on the one hand, help steady their overworked mind, while on the other it would elevate them to a higher plane, from which they can take off to a better start in their subsequent life. As Cancer rules chest and stomach, try to avoid liquors and take precautions, against affection of asthma.

# Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

## Personality Analysis

At the time of your birth, Cancer Ascendant ( Lagna ) rising along with Aquarious Navamsa and Pisces Dreskana in third Pad of Aslesha indicates that after a none too promising youth you can look forward to a better life from the age of 34. But then, success can come your way only if you make an honest and resolute effort to achieve it.

There are signs of your having fairly good earnings, but the point is how much of it you would retain, because you are fond of alcohol, indulging in which, as everyone knows, is a pretty costly affair. Also, since you have the tendency to be very selfish. you may spend a sizeable amount on yourself. This, in spite of the fact that you will have a large family, consisting of a loving spouse and grateful and dutiful children. Hence, you will have to be careful in spending money, otherwise it may lead to strained relations with your family.

It is up to you to exploit your natural talents to your advantage. You are pretty well read, can write well and talk impressively. You can utilise these to make a good impression on others. If, on the other hand, you put these qualities to negative use, then others will suspect you of trying to cheat them. Once that image is created, it will be very difficult to erase it, with the result you won't be successful in your business and other dealings with people.

But if you exploit your talents, then you will be able to acquire sufficient assets which will help not only yourself but also your near and dear ones to lead a comfortable life free from wants. The professions best suited for your talents are taking to commerce and becoming an auditor of a travel agent or guide.

Being a devout person, you will develop interest in religious matters. This, combined with your general knowledge and literary ability, can enable you to take to publishing on philosophy. This will yield dividends.

Health will be tolerably good, but the diseases which may affect you are stomach trouble, dropsy and pain in the joints. Hence it is advisable for you to keep a constant watch on your health by leading a sober life and having periodic medical check- ups.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.

The numbers which can prove lucky for you are 4 and 6 which vibrate in your favour. While 2, 7 and 9 are passive, 3 and 5 just don't suit you.

Your lucky colours are white, cream, red and yellow. The negative colours are green and blue.

# Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. After that offer raw milk to lord Shiva and donate as per your strength. This would help you in overcoming the difficult situations of life. There shall be substantial relief in serious problems too.
