Physique, Health & Nature

Born at a time when Leo Ascendant was rising, you will have an imposing personality with a tall, upright, muscular figure with a small waist. Fair complexioned, your face along with your shapely head displays a pair of large, attractive eyes. Your soft, wavy hair provides a touch of a sporting appearance. Your commanding, dignified look completes the picture of a person who will stand out in any gathering.

Matching your well proportioned body will be your splendid health. You don't fall ill frequently, but when you do, you get alarmed over it even though you have tremendous recuperative power to get over it rapidly. Restrict your diet to vegetarian, avoiding liquor and cutting down on beverages.

Free, frank and outspoken, your nature goads you to be aggressive in pursuing an independent path. Pinning faith in hope for the realisation of your goals, you will go about your job with courage and confidence. But sometimes you act hastily and get irritated when the results are not up to your expectations. Then you start shouting at others, but fortunately your outbursts don't last long, as you cool down quickly. No doubt you like flattery, but you are not one to be carried away by it. Possessing good organising ability, you are suited for high administrative positions.

You are a great lover. You have an ardent desire to be in the company of the opposite sex and catch its eye. But this is only a facade, as in your heart of hearts you admire your spouse. This aspect will, however, have to be put across convincingly to your partner so that the family atmosphere is not upset.

A long, fortunate life is assured to you as the Sun was in the first house of Leo Ascendant. Already possessing a royal stature, you will shine even more brightly. You will have an eventful, fruitful life, during which you will score many victories.

You tend to get upset suddenly, but what gives added impetus to such behaviour by you is the presence of a vibrating Sun. It is better to control your fault finding habits so that you can enjoy life to the utmost.

Personality Analysis

The combination of Leo Ascendant (Lagna) rising with Scorpio Navamsa and Aries Dreskana in the fourth Pad of Poorva Phalguni shows that if you move with caution and proper planning, you will attain success in life. But, for that, your earnest contribution is essential, as there is the possibility of your encountering a couple of problems in your path to prosperity.

The conjunction actually presents a picture of the good, the bad and the ugly. The excellent aspect that is discernible in your star is that you will enjoy a high position close to the throne, earning, in the bargain, a substantial amount. You are capable of being a top administrator or director of a big company or corporation, which will bestow on you wealth, prestige and influence in society.

Leo Ascendant also points in the same direction, displaying promise of a cozy life, with plenty of money and a good family life.

The above two also show you will enjoy generally good health, but with a remote chance of some heart ailment or spinal trouble in your old age, due to your hectic work schedule and your fiery temper.

But it is Scorpio Navamsa which paints a different picture, pointing to the possibility of the native having a defective limb, diseased and being poor.

So, it is up to you to chalk out your strategy properly so that the ill effects of the Navamsa are mitigated and you will lead a good life. One of the things to concentrate straightaway should be regarding health. Give your mind adequate rest by relaxing as much as possible and sticking to a controlled diet, keeping clear of intoxicating drinks. Another aspect is to be careful in your movements so that you don't sustain any kind of physical harm.

Regarding poverty, undue alarm is not called for, as you have many splendid qualities which, if put to proper use, can make you wealthy. Here it would be advisable to keep a check on your purse, as you will spend a lot to maintain a majestic appearance in public. If you indulge in a spending spree now, you may regret it later, as your assets would have dwindled.

You can have a happy home with a loving spouse and adorable children. With sufficient financial resources at your command, you can provide them with all worldly comforts.

The lucky days for you are Tuesday, Sunday and Thursday whereas

Monday is average. The other three days are not too favourable as they will prove expensive.

Numbers 1, 4, 5, 6 and 9 will prove beneficial, but not 2, 7 and 8 which don't suit you.

Avoiding blue, black and white, go in for orange, red and green, which will prove advantageous.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available. Scriptures like Rudraksha Jabalopanished, Shiva Purana, Devi Purana and Padma Purana extol the value of Rudraksha seeds.

In general all Gods are fond of Rudrakshas but it is believed that it is most favourite of Lord Shiva. Modern scientific research came out with positive results about Rudraksha. It is found that it stores electromagnetic properties, which influences human physiology. Each type of Rudraksha has its own influence and property. Rudraksha is worn to get beneficial results and is helpful in curing diseases like epilepsy, hypertension, blood pressure, stress, whooping cough, wounds. Wearing of Rudraksha not only pleases Lord Shiva but also brings blessings of Lord Vishnu, Durga, and Ganesh and Navgrahas (nine planets) it reduces the ageing process and brings peace and harmony in life.

In Hindi, Bengali, Sanskrit, Bhojpuri, Gujrati and Panjabi it is known by the name Rudraksha. In Tamil, Kannad and Telgu it is known as 'Rudraksha Koti' in English as Utrasum Bead and in Latin language it is known as Elaeocarpus Ganitrub Roxb. Rudrakshas can be found in India, Nepal, Tibbet, Indonesia, Sumatra, China, Jawa, Malaysia, Medagaskar, Pacific Ireland etc. It is produced in Nepal in abundance. One faced Rudraksha is the property of Royal family of Nepal. So, it should be deposited in national treasure. If somebody would dare to sell it he shall be punished.

According to Hindu Mythology Rudraksha of Nepal is best in the world.

Health - 2025

Your health shall remain average in this year. You won't be satisfied mentally. The first half of the year won't be very favorable for health and you might suffer from mental tensions. You would not be happy at heart.

After May there would be improvement in health and your immunity would get enhanced with your continuous efforts like regular exercise and controlled diet.

Prediction For January 2025

This month augurs well for your health, when the stars are in a mood to bless you. Any predisposition to chronic disorders like rheumatism and complaints of the stomach like constipation would be much relieved during this period. Normal kinds of precaution would ensure that botheration from such troubles is at a minimum.

Susceptibility to bouts of sudden acute sickness like fever or inflammation would also be similarly relieved. In fact, the period does not indicate any serious health hazard of any sort. This is provided, of course, that all caution is not thrown to the winds. Simple normal care would ensure good health.

Prediction For February 2025

This month you do not have anything very encouraging in the combination of stars which would promote your health. In fact, you would face quite a few problems of the digestive system. Any predisposition to chronic constipation, and such like ailments would be quite troublesome.

You would have to be very careful in treating such maladies as well as in maintaining proper diet-control. There is further possibility of the condition worsening somewhat if there is any neglect in treating these ailments. The turn of events is not favourable at all, so you would do well to exercise utmost caution.

Prediction For March 2025

Nothing very encouraging about your health prospects this month, since the combination of stars you face is not very obliging. There is a distinct possibility that you might suffer from a state of general debility and nervous disorder caused by over-exertion and exhaustion.

This should not be allowed to happen. And the way out, lies in coming up

with a fresh schedule of activity that does not unduly tax your system, and firmly sticking to it. This would most certainly prevent an unpleasant situation from coming up. Any inclination to a chronic ailment of the digestive organs could also create trouble for you. This should also be guarded against.

Prediction For April 2025

No apparent signs of benevolence are visible on the part of the stars in so far as your health is concerned. Any predisposition to chronic disorders like rheumatism and complaints of the digestive like constipation and the like could create problems during this period. You would do well to look into this before hand and take restorative measures.

Any attack of cold should also be thoroughly examined and treatment obtained. This, too, should not be allowed to linger on, since it would only be to your own disadvantage. The turn of events is not particularly favourable, therefore, it would be wise to take all possible precautions.

Prediction For May 2025

This month the combination of stars facing you is anything but favourable for your health. Any predisposition to chronic ailments like rheumatism and complaints of the digestive system, like constipation is likely to see you concerned about your state of health. You will have to obtain treatment and maintain effective diet-control.

Any laxity in this, would be entirely at your own cost. Further there is the danger of an accident or a violent hurt which must be guarded against. Here again, there can only be a general kind of caution. But chances are that if you maintain caution, this would be helpful in every way.

Prediction For June 2025

A predisposition to chronic disorders like asthma and complaints of the digestive system like flatulence and excess of wind will be greatly relieved. There would be a significant respite from such troubles.

There might be a tendency towards constipation which should be guarded against. But the times being favourable, simple measures like diet-control would prove quite effective. A fairly helpful period, during which no serious health

A month during which the combination of stars augurs well for your health. You can, therefore, quite reasonably look forward to keeping quite fit. A note of caution needs to be sounded, warning you against over-exertion. This is something you must avoid at all costs.

The simple way to do it would be to chalk out a fresh schedule of activity suited to your needs and in which your system is not unduly taxed. You must then firmly stick to such a schedule. There are grounds to believe that constipation and such-like ailments may bother you. But some extra care would ensure relief.

Prediction For August 2025

There is no happy augury about your health in the coming month, according to the stars. A predisposition to chronic disorders like rheumatism and complaints of the digestive system like chronic constipation could pose difficulties for your health during this period, which means you have to pay greater attention to your treatment and diet-control.

As a preventive safe-guard you might maintain some caution about taking care of your stomach and digestive tract. Some restraint in the diet commensurate with an easily disturbed stomach condition, would be helpful. This is an encouraging period for your health, during which you are unlikely to suffer any serious setback to your health.

There is also relief indicated from the tendency to sudden illnesses of the acute variety, like fevers and inflammation. This apart, you can expect smooth sailing.

Prediction For November 2025

An encouraging month during which the stars are out to bless your health, leaving you no reason for any serious concern on this score. One note of caution would need to be sounded. You must not over-exert yourself. If you do this, your problems would snowfall, leading to a serious health situation. The remedy is quite simple.

All you need to do is to chalk out a fresh schedule of activity which does not unduly strain your system, and yet allows full play to all your normal activities. This done, the majority of problems would cease for you in terms of your health. A good month, during which with this one precaution, you could remain in the pink of health.

Prediction For December 2025

A month during which you would have to look really close and hard at the stars to discover any signs of encouragement for your health. Any predisposition to chronic ailments like asthma, cough and the like is going to be a probable source of concern. You should therefore be careful before-hand if prone to troubles of this sort.

The inclination to having one's digestive organs easily disordered is another possible source of worry. And, like in the previous instance, advance care is the best remedy. This is not to exclude later remedial measures. Take care, since you do not have an encouraging time ahead.

Prediction For October 2029

A favourable month, during which the stars are in a mood to bless your health. Obviously a good period when there would be little if any botheration for you. Even those predisposed to chronic disorders of the digestive tract, like flatulence and excess of wind will experience relief.

Take the normal kind of precautions and the situation would be quite satisfactory. There are some grounds for you to pay a little extra attention to a sore throat, should you acquire one. Thorough examination would be helpful and the possibility of this being a symptom of a rheumatic heart must be ruled out. This apart, you have nothing to worry about.

Prediction For November 2029

This month the stars are quite favourably disposed towards you, and will bless you with good health. This means a period during which you will keep fit with the minimum of fuss. There is, however, a note of caution as well. This lies in over-exertion.

To get over this danger, you would have to chalk out a schedule where all your normal activities are allowed full play, and yet your strength is not unduly treated. This is merely a readjustment, and could be easily accomplished. Further, you might as well pay some extra attention to your liver, especially if there is any previous history of liver trouble.

Prediction For December 2029

You do not have any major health problems during the coming month, since the stars are quite bright towards you. Still, this does not mean that all caution is thrown to the winds. Those predisposed to trouble with the digestive organs, will get some relief from these troubles.

But they should continue to maintain all normal precautions both in terms

of treatment and diet. There is some reason to be careful about any infection in the chest area. This should be promptly treated without any delay. A little caution as detailed above, should see you in the best of health, this month.
